Chosen By The Vampire Kings

Two vampire kings
 whose covens have,
 until fairly recently,
 been at war. Now each
 king must choose a
 human female in order
 to produce an heir for
 each coven (vampire
 females don't breed
 well). Each chooses a
 different lady, but

neither wants to be mated to a vampire.

The whole process didn't happen naturally. It is first explained that ONE WOMAN each would be chosen by the kings to become their queens and mate them in order to have heirs. Ok, that's easy to understand. These women are the kings' only hope in the continuation of their race, once the woman is chosen, there will be no other. Again easy to understand.
