Contract law and tort law fall within the purview of civil law. In civil law, court orders and money are used to enforce judicial decisions, not jail time. In civil cases, the suing party is known as the plaintiff while the offender is called the defendant.

Torts and Contracts: Everything You Need to Know

As a law review

commentator observes: While the imposition of liability in tort upon the non-party interferer may be justified in all cases for his intentional disruption of the contractual relation, the party who merely breaches his contract should in all cases be exposed only to contractual liability as he has not assumed the role of an intentional interferer.

Tort Law vs. Contract Law | LexRoll.com

If contracts and torts teach you what lawyers do in civil court, then civil procedure teaches you how they do it. "Civ Pro" is the study of the often dizzyingly and complex rules that govern not only who can sue whom, but also

how, when, and where they can do it.
