Mortgages - dummies

Your mortgage payment is the sum of several parts (principal and interest, and possibly taxes and insurance). But there are several other costs and expenditures to consider. Down payment: This is the amount of money you pay up front. This is generally 20% of the property's cost. However, there are many loans that allow for less than that. It's also important to note that the lender may make you put down more than 20% if your credit is less than perfect.
