Ed Emberley's Fingerprint Drawing Book.

June 13, 2006. I was a huge fan of Ed Emberley's drawing books when I was about 6 or 7. I would borrow them out from the library time and again and spend hours copying out the details of his step-by-step instructions. I recently rediscovered his books at a big chain store – 4 books compiled into one big compendium (a special printing for the store it seems as I can't find them this way anywhere online) and I let AJ have a look.

I found this, and the other Ed Emberley's books (Ed Emberley's Drawing Book of Animals, Ed Emberley's Drawing Book: Make a World) I purchased to be beautifully unique compared to any other drawing books I've come across. My 4.5 year old boy has able to follow the steps quite readily and was excited to do so.
