(PDF) Zika Virus: An Emerging Epidemic - ResearchGate

By reading Zika, the Emerging Epidemic we learn about the origins, expansion and initial stages of the infection and efforts to control the epidemic, including the early developments of specific drugs and vaccines. However, one is left uncertain about the real magnitude of the epidemic in view of the striking differences, so far, in the outcomes of the Zika infection in Brazil, in comparison to all other countries affected, not mentioned in the book.
