As the Occupy Movement gathers pace without the rhetorical platform of a manifesto, and with sociopolitical tensions permeating across the world seemingly without the aide of a sole stringent mantra, the problematic for the form of manifestos in contemporary society is under scrutiny.

### **What happened to the architectural manifesto? - Domus**

The second half of the 20th Century witnessed an outburst of theories and manifestoes that explored the possibilities of architecture: its language, evolution and social relevance. The many crises in architecture and emerging urban and ecological

problems questioned the current orthodoxy: Modernism was criticised, questioned and overthrown, only to be extended, subverted and revived.
