**There's No Place Like Here** *Hachette UK*

Sometimes it takes losing everything to truly find yourself... Since Sandy Shortt's childhood classmate disappeared twenty years ago, Sandy has been obsessed with missing things. Finding what is lost becomes her single-minded goal--from the lone sock that vanishes in the washing machine to the car keys she misplaced. It's no surprise, then, that Sandy's life's work becomes finding people who have vanished from their loved ones. Sandy's family is baffled and concerned by her increasing preoccupation. Her parents can't understand her compulsion, and she pushes them away further by losing herself in the work of tracking down these missing people. She gives up her life in order to offer a flicker of hope to devastated families...and escape the disappointments of her own. Jack Ruttle is one of those devastated people. It's

been a year since his brother Donal vanished into thin air, and he has enlisted Sandy Shortt to find him. But before she is able to offer Jack the information he so desperately needs, Sandy goes missing too...and Jack now finds himself searching for his brother and the one woman who understood his pain. One minute Sandy is jogging through the park, the next, she can't figure out where she is. The path is obscured. Nothing is familiar. A clearing up ahead reveals a camp site, and it's there that Sandy discovers the impossible: she has inadvertently stumbled upon the place -- and people -- she's been looking for all her life, a land where all the missing people go. A world away from her loved ones and the home she ran from for so long, Sandy soon resorts to her old habit again, searching. Though this time, she is desperately trying to find her way home . . .

**No Place Like Here** *Blink*

From Christina June, author of *It Started with Goodbye* and *Everywhere You Want to Be*, comes *No Place Like Here*, a modern twist on *Hansel and Gretel*. Ashlyn Zanotti has big plans for the summer. She's just spent a year at boarding school and can't wait to get home. But when Ashlyn's father is arrested for tax evasion and her mother enters a rehab facility for "exhaustion," her life is turned upside down. The cherry on top? Ashlyn's father sends her to work with a cousin she doesn't even know at a rustic team-building retreat center in the middle of nowhere. A self-proclaimed "indoor girl," not even Ash's habit of leaving breadcrumb quotes—inspirational sayings she scribbles everywhere—can help her cope. With a dangerously careless camp manager doling out grunt work, an

overbearing father trying to control her even from prison, and more than a little boy drama to struggle with, the summer is full of challenges. And Ashlyn must make the toughest decision of her life: keep quiet and follow her dad's marching orders, or find the courage to finally stand up to her father to have any hope of finding her way back home. Fans looking for clean teen fiction, with elements of drama, romance, friendship, and an unflinching look into navigating and improving even the most difficult parent-teen relationships need look no further.

**No Place I'd Rather Be** *Kensington Books*

The discovery of a family cookbook changes the life of a beleaguered woman in this novel by the author of *The Language of Sisters*. Two years ago, Olivia Martindale left behind her Montana hometown and her husband, Jace, certain it was the best decision for both of them. Back temporarily to protect her almost-adopted daughters from their biological mother, she discovers an old, handwritten cookbook in the attic. Its pages are stained and torn, their edges scorched by flame. Some have been smeared by water . . . or tears. The recipes are written in different hands and in different languages. In between the pages are intriguing mementos, including a feather, a pressed rose, a charm, and unfamiliar photographs. Hoping the

recipes will offer a window into her grandmother's closely guarded past, Olivia decides to make each dish, along with their favorite family cake recipes, and records her attempts. The result, like much of her life to date, involves a parade of near-disasters and chaotic appearances by her doctor mother, her blunt grandma, her short-tempered sister, and Olivia's two hilarious daughters. The project is messy, real—and an unintended hit with viewers. Even more surprising is the family history Olivia is uncovering, and her own reemerging ties to Montana, and to Jace. Generations of women have shared these recipes, offering strength and nourishment to each other and their loved ones. Now it's Olivia's turn to find healing—and determine where her home and her heart truly belong. Praise for Cathy Lamb "This finely pitched family melodrama is balanced with enough gallows humor and idiosyncratic characters to make it positively irresistible." —Publishers Weekly on *Henry's Sisters*

in a newly independent African nation. Naipaul gives us the most convincing and disturbing vision yet of what happens in a place caught between the dangerously alluring modern world and its own tenacious past and traditions.

## Hope in the Dark

### Untold Histories, Wild Possibilities

*Haymarket Books*

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The

Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, New York Times–bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker

**A Place Like Mississippi**

**A Journey Through a Real and Imagined Literary Landscape** *Timber Press*

“This is the book all of us Mississippi writers, dead and alive, need to read. It is indeed a strange but glorious sensation to see your literary and geographic lineage so beautifully and rigorously explored and valued as it's still being created.” —Kiese Laymon, author of *Heavy: An American Memoir* The South has produced some of America’s most celebrated authors, and no state more so than Mississippi. Names as diverse as Faulkner, Welty, and Ward have created a literary legacy spanning decades and stretching across lines of class, gender, and race. One thing binds together these wide-ranging perspectives—the land itself. In *A Place Like Mississippi*, W. Ralph Eubanks explores those ties and the ways in

which the Magnolia State has fostered such a bounty of expression. The stories haven't always been easy to tell; even beautiful landscapes can't obscure a complicated history. The state's African American writers have long recounted the fight for equality, forming a lineage of powerful Black voices that continue to speak with urgency in our tumultuous times. Yet underlying those truths is also a deep affection for Mississippi's places. With the love of a native son, Eubanks pays tribute to the inspiration that can come from the lay of the land, proving that a journey through one state's literary terrain can help us better understand America as a whole

### **A Place for Us**

**A Novel** *SJP for Hogarth*

AN INSTANT NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD "5 UNDER 35" NOMINEE • NEW YORK'S "ONE BOOK, ONE NEW YORK" PICK Named One of the Best Books of the Year: Washington Post • NPR • People • Refinery29 • Parade • BuzzFeed "Mirza writes with a mercy that encompasses all things."—Ron Charles, Washington Post Hailed as "a book for our times" (Christiane Amanpour), *A Place for Us* is a deeply moving and resonant story of love, identity, and belonging. As an Indian wedding gathers a family back together, parents Rafiq and Layla must reckon with the choices their children have made. There is Hadia: their headstrong, eldest daughter, whose marriage is a match of love and not tradition. Huda, the middle child, determined to follow in her sister's footsteps. And lastly, their estranged son, Amar, who returns to the family fold for the first time in three years to take his place as brother of the bride. What

secrets and betrayals have caused this close-knit family to fracture? Can Amar find his way back to the people who know and love him best? *A Place for Us* takes us back to the beginning of this family's life: from the bonds that bring them together, to the differences that pull them apart. All the joy and struggle of family life is here, from Rafiq and Layla's own arrival in America from India, to the years in which their children—each in their own way—tread between two cultures, seeking to find their place in the world, as well as a path home. *A Place for Us* is a book for our times: an astonishingly tender-hearted novel of identity and belonging, and a resonant portrait of what it means to be an American family today. It announces Fatima Farheen Mirza as a major new literary talent.

### **To Bless the Space Between Us**

**A Book of Blessings** *Convergent Books*

From the author of the bestselling *Anam Cara* comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O'Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In *To Bless the Space Between Us*, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O'Donohue looks at life's thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory. Most profoundly, however, O'Donohue explains "blessing" as a way

of life, as a lens through which the whole world is transformed. O'Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

### **What Cat Is That?**

#### **All About Cats** *Random House Books for Young Readers*

The Cat in the Hat learns all about cats—wild and domestic—in this feline-focused Cat in the Hat's Learning Library book! Traveling aboard his Kitty-Cat-Copter, the Cat takes Sally and Nick to meet lions in Kenya, tigers in Bangkok, Siamese down the block—learning along the way those traits that all cats share: scratchy tongues, padded paws, sensitive whiskers, sharp claws, and those things unique to different species. With information about the anatomy and behavior of well-known species and breeds—including lions, tigers, leopards, cheetah, jaguar, ocelots, cougar, American shorthair, Persian, Siamese—and lesser-known ones, like clouded leopards, caracals, Turkish Vans, Scottish folds, American curls, Raga Muffins, and more—there's something here for cat/Cat lovers of all kinds! #### **Psychoanalytic Thinking on the Unhoused Mind** *Routledge*

*Psychoanalytic Thinking on the Unhoused Mind* illuminates the psychological underpinnings of current societal problems: homelessness, mental distress, loneliness and states of societal breakdown and exclusion. Illustrated

with a broad range of clinical work as well as thoughts on art and literature, the book brings to life complex tensions between the individual psyche, the group, and wider political and cultural structures. 'Unhoused' states of mind are explored in rough sleepers, ex-prisoners, survivors of institutional abuse and family trauma, and people living with personality disorder, addiction, psychosis and dementia. Chapters describe outreach, assessment and long-term psychotherapy, as well as reflective practice with staff teams and care systems, and learning from consultation, supervision and policy development. New therapeutic responses to chronic risk and to resilience are developed from psychoanalytic understandings of difficulties with containment and care. The collection will be of value to psychotherapists and other mental health practitioners, as well as those working in therapeutic, residential and criminal justice settings and outreach services.

**All About Staying Healthy** *Random House Books for Young Readers*

The Cat in the Hat joins forces with the Partnership for a Healthier America! In this newly revised edition—with 16 pages of bonus materials—the Cat in the Hat takes young readers to a Seussian Spa where they learn the basics of healthy living. Updated with the assistance of the Partnership for a Healthier America, the Cat explains the importance of eating right (based on the latest USDA MyPlate recommendations); staying active; getting enough sleep; handwashing; brushing and flossing;

wearing protective gear when playing sports--even the best way to sneeze when you don't have a tissue handy! The 16 pages of newly added backmatter include simple, fun suggestions for children to increase their activity throughout the day, plus 8 kid-friendly, healthy recipes for parents to prepare for their hungry broods. An ideal choice for supporting Common Core Standards and fans of the hit PBS Kids television show *The Cat in the Hat Knows a Lot About That!*—this is a book that supports healthy bodies AND healthy minds!

**The High Street** *Tate*

Young readers can help Sally find what she needs on her shopping trip, including roller skates, a cockatoo, and a cherry tart, by searching through fold-out pages showcasing the different stores on High Street.

**The Upper World** *HarperCollins*

If you had the chance to change your future, would you take it? Perfect for fans of Neal Shusterman and Jason Reynolds, this powerhouse, mind-bending YA debut follows two teens, a generation apart, whose fates collide across time—and outside of it. Today During arguably the worst week of Esso's life, an accident knocks him into an incredible world—a place beyond space or time, where he can see glimpses of the past and future. But if what he sees there is true, he might not have much longer to live, unless he can use his new gift to change the course of history. Tomorrow Rhia's past is filled with questions, none of which she expects a new physics tutor to answer. But Dr. Esso's not here to help Rhia. He's here because he needs her help—to unravel a tragedy that happened fifteen years ago. One that holds the key not

only to Rhia's past, but to a future worth fighting for. Soon to be a major Netflix

movie starring Oscar winner Daniel Kaluuya! (Get Out, Black Panther, Judas and the Black Messiah)
