Very sturdy box that holds the 3 books. My 15 month old son's

favorite books are the ones that he can interact with - and Karen Katz books are some of the best. The colors are bright, the images are clear, and the flip flaps are sturdy and easy enough to lift while still requiring him to pinch his fingers and pay attention.

If your baby or toddler is in a bit of a tearing phase, plan on keeping these on a high shelf -- the flaps tear off pretty easily (unlike, for example, our copy of Dear Zoo which has lasted forever). The box is decently sturdy, and fun for kiddos who love to empty boxes out and fill them back up again.
