analysis!

Pregnancy, Childbirth, and the Newborn

The Complete Guide *Da Capo Lifelong Books*

Available for the first time in full color, the up-to-date and authoritative pregnancy guide that has sold 1.5 million copies--by recognizing that "one size fits all" doesn't apply to maternity care Parents love this book because it puts them in control; experts love it because it's based on the latest medical research and recommendations from leading health organizations. *Pregnancy, Childbirth, and the Newborn* provides the information and guidance you need to

make informed decisions about having a safe and satisfying pregnancy, birth, and postpartum period--decisions that reflect your preferences, priorities, and values. Unlike pregnancy guides that can overwhelm and alarm by telling you up front all the things that can possibly go wrong, this book first describes normal, healthy processes, their typical variations, and the usual care practices for monitoring them. Only then does it cover possible complications and the care practices and procedures for resolving them. Throughout, the presentation is crystal-clear, the tone is reassuring, and the voice is empowering. And the language is inclusive, reflecting today's various family configurations such as single-parent families, blended families formed by second marriages,

families with gay and lesbian parents, and families formed by open adoption or surrogacy. From sensible nutrition advice to realistic birth plans, from birth doulas when desired to cesareans when needed, from reducing stress during pregnancy to caring for yourself as well as your baby after birth, this pregnancy guide speaks to today's parents-to-be like no other.

Pregnancy, Childbirth, and the Newborn

The Complete Guide *Simon and Schuster*

If you only buy one pregnancy book, this should be the one! It's the most complete. It covers all aspects of childbearing, from conception through

early infancy, and tells you what to expect. It offers detailed information, suggestions on decisions to make, and advice on steps to take to have a safe and satisfying experience. The Award-Winning Resource Recommended by Experts & Loved by Parents Parents love this book because it puts them in control by explaining a wide range of options, information, and questions to ask, so parents can find what works best for their health situation, personal goals, and priorities. Experts love this book because it's based on the latest medical research and recommendations from leading health organizations. It's practical—rooted in the real-life experiences of new families. The five authors bring a combined total of 150 years of experience working with

expectant and new families as educators, nurses, counselors, doulas, physical therapists, and lactation consultants. They have attended hundreds of births, heard thousands of birth stories, and assisted innumerable new parents in adapting to their new lives. Not only that, the authors have a combined total of 12 children and 12 grandchildren. All of this experience allows them to write with compassion, understanding, and wisdom based on what really works in the real-world of parenting. The companion website offers even more details on select subjects, including lists of all the best resources on each topic and worksheets to guide parents' decision-making process. The website also includes a bonus chapter on pre-conception, which provides ways to

improve your health and fertility before pregnancy begins.

Mommy IQ

The Complete Guide to Pregnancy

Harper Collins

Mommy IQ is the ultimate girlfriend's guide to pregnancy. Rosie Pope—maternity fashion designer, pregnancy guru, and star of the hit TV show *Pregnant in Heels* on Bravo—leads expectant mothers through the ups and downs of pregnancy with her trademark humor and down-to-earth charm, tackling difficult issues with refreshing candor while offering useful information about medical support. The founder of MomPrep—a prenatal and postpartum education center—Rosie makes the

journey to motherhood even more memorable with friendly advice, laugh-out-loud stories, and heartfelt, “been-there” insights. Mommy IQ is a must-own handbook for moms-to-be, young moms, and the families of expectant moms.

The Natural Pregnancy Book, Third Edition

Your Complete Guide to a Safe, Organic Pregnancy and Childbirth with Herbs, Nutrition, and Other Holistic Choices *Ten Speed Press*

A revised and updated edition of the classic handbook for women seeking a safe, organic, eco-friendly, and natural pregnancy, featuring an integrative-based approach with new medical, herbal, and nutritional information. Over

the last two decades, *The Natural Pregnancy Book* has ushered thousands of women through happy and healthy pregnancies. Addressing women's health from conception to birth, Dr. Romm describes herbs that can promote and maintain a healthy pregnancy, and allays such familiar concerns as anxiety, fatigue, morning sickness, and stretch marks. She also discusses the components of a healthy diet, with an emphasis on natural foods. New to this edition is integrative health advice based on Dr. Romm's new credentials as a Yale-trained physician, combined with her twenty years of experience as a midwife and herbalist.

The Ultimate Guide to Pregnancy for Lesbians

How to Stay Sane and Care for Yourself from Pre-conception Through Birth *Cleis Press*

The Ultimate Guide to Pregnancy for Lesbians covers everything you need to make the thrilling and challenging journey to motherhood: from choosing a donor to tracking fertility to signing the right papers on the dotted lines. Rachel Pepper's lively, easy-to-read guide is the first place to go for up-to-date information and sage advice on everything from sex in the sixth month to negotiating family roles. Why a second edition? When the acclaimed first edition appeared, the author's daughter was only a few months old. This new edition takes into account the parenting know-how Pepper has developed over the intervening six years, as well as the

evolving legal status of lesbian parents, and the increasing importance of the Internet for information on fertility, sperm banks, and donors. The resource section is greatly expanded, as are the sections on each trimester of pregnancy, on childbirth, and on life with a newborn. And Pepper provides more insight into preconception planning for both single lesbians and couples. An indispensable resource, *The Ultimate Guide to Pregnancy for Lesbians* is now bigger and better.

The Mommy Docs' Ultimate Guide to Pregnancy and Birth *Da Capo Lifelong Books*

Three top ob/gyn's--who are also moms themselves and hosts of the Oprah Winfrey Network's *Deliver Me*--offer a

comprehensive guide to pregnancy. Original. TV tie-in.

The Complete Guide to Everyday Risks in Pregnancy & Breastfeeding

Answers to Your Questions about Morning Sickness, Medications, Herbs, Diseases, Chemical Exposures & More *Robert Rose Incorporated*

A reference guide to the risks of medication, disease, environmental toxins, herbal remedies, food, alcohol, cigarettes, recreational drugs and such taken or exposed to expectant or breastfeeding mothers. Includes practical advice on avoidance of risks.

Eating for Two

The Complete Guide to Nutrition During Pregnancy *Wiley*

Foreword by Roy M. Pitkin, M.D. The definitive book on what to eat and what to avoid during pregnancy. Here is the most authoritative and readable guide available for pregnant women concerned with proper nutrition.

What to Expect Before You're Expecting

The Complete Guide to Getting Pregnant *Workman Publishing*

What to expect. . . the first step. Answers to all your baby-making questions. Are there ways to improve our chances of having a girl (or boy)? Does

stress affect fertility? Should we be having sex every day? Every other day? Three times a day? I'm 37. Does that mean I'll have a harder time getting pregnant? How long should we keep trying to conceive before we get some help? What fertility treatments are available—and how will we be able to pay for them? Expecting to expect? Plan ahead. Here's everything you need to know to help prepare for the healthiest possible pregnancy and the healthiest possible baby. Filled with practical tips, empathetic advice, and savvy strategies, all designed to help you get that baby of your dreams on board faster. How to get your body into the best baby-making shape. Which foods feed fertility. Which lifestyle habits to quit and which to cultivate. All about baby-making sex,

from timing to positions to logistics—and how to keep it sexy. Figuring out your fertility (and his). When to seek fertility help, and the latest on tests, treatments, and reproductive technology. Expecting to become a dad? This book has you covered, too. Plus, all about the family-building options for single women and same-sex couples.

Nurture

A Modern Guide to Pregnancy, Birth, Early Motherhood—and Trusting Yourself and Your Body *Chronicle Books*

"What a gift to new and expecting moms. You have no idea the mountain and rollercoaster you're about to embark on, but Nurture somehow gives you a

peek in and gives you essential information to help ground you." -Catherine McCord, founder of Weelicious and One Potato A comprehensive and judgement-free pregnancy companion: Nurture is the only all-in-one pregnancy and birthing book for modern mothers-to-be and their partners who want a more integrative approach. Author Erica Chidi Cohen has assisted countless births and helped hundreds of families ease into their new roles through her work as a doula. Nurture covers everything from the beginning months of pregnancy to the baby's first weeks. This empowering book includes: • Supportive self-care and mindfulness exercises, trimester-specific holistic remedies, nourishing foods and recipes for every month of pregnancy,

and expert tips for every birth environment. • More than 40 charming and helpful illustrations, charts, and lists can be found throughout. • Dozens of important topics that every modern mom needs to know including fetal development, making choices for a hospital, home or birth center birth, the basics of breastfeeding, tips on what to expect postpartum, and more. Nurture is an all-inclusive pregnancy and birthing guide book that gives soon-to-be mothers and their partners the information they need to make decisions, feel confident, and enjoy the beauty of creating new life. Nurture is a thoughtful and helpful gift for expecting mothers and their partners. Erica Chidi is co-founder and CEO of Loom in Los Angeles, CA. She began her work in San

Francisco, volunteering as a doula within the prison system, working with pregnant inmates. She went on to build a successful doula and health education practice in Los Angeles and has been featured in Women's Health, Vogue, Goop, The Cut and Marie Claire.

The Healthy Pregnancy Book

Month by Month, Everything You Need to Know from America's Baby Experts *Little, Brown*

From "the man who remade motherhood" (Time) comes the definitive guide to having a healthy pregnancy--and a healthy baby. THE HEALTHY PREGNANCY BOOK guides expectant mothers and fathers through all stages of pregnancy from preconception

through birth, focusing on how to enhance the health of mother and baby. In this uniquely authoritative and comprehensive month-by-month guide, the Seares address emotional and physical changes that take place during pregnancy, baby's brain development, healthy pregnancy habits, pregnancy superfoods, optimal weight gain, fitness, managing stress, sleep, choosing the right healthcare provider, birthing choices, the transition into parenthood, engaging personal stories, and more. Overflowing with the most up-to-date information, digestible and doable tips, and advice for every worry--and written in the Seares' trademark reassuring tone that makes their books long-term bestsellers--THE HEALTHY PREGNANCY BOOK is the must-have resource to fit

the greater demands of today's savvy parents.

The Girlfriends' Guide to Pregnancy

Simon and Schuster

The practical, comforting, honest, and hilarious bestseller for moms-to-be, with more than one and a half million copies in print! Your doctor gives you medical advice. Your mother buys you baby clothes. But who can give you the real skinny when you're pregnant? Your girlfriends, of course—at least, the ones who've been through the exhilaration and exhaustion, the agony and ecstasy of pregnancy. Four-time delivery room veteran Vicki Iovine talks to you the way only a best friend can—in the book that will go the whole nine months for every mother-to-be. In this revised and

updated edition, get the lowdown on all those little things that are too strange or embarrassing to ask, practical tips, and hilarious takes on everything pregnant. What really happens to your body—from morning sickness and gas to eating everything in sight—and what it's like to go from being a babe to having one. The Many Moods of Pregnancy—why you're so irritable/distracted/tired/lightheaded (or at least more than usual). Staying Stylish—You may be pregnant, but you can still be the fashionista you've always been (or at least you don't have to look like a walking beachball)—wearing the hippest designers and proudly showing off your bump. Pregnancy is Down To a Science—from in vitro fertilization to scheduled c-sections, there are so many options, alternatives, and scientific tests

to take that being pregnant can be downright confusing! And much more! For a reassuring voice or just a few good belly laughs, turn to this straight-talking guide on what to really expect when you're expecting.

Nutrition for a Healthy Pregnancy, Revised Edition

Ina May's Guide to Childbirth

Updated With New Material *Bantam*

What you need to know to have the best birth experience for you. Drawing upon her thirty-plus years of experience, Ina May Gaskin, the nation's leading

midwife, shares the benefits and joys of natural childbirth by showing women how to trust in the ancient wisdom of their bodies for a healthy and fulfilling birthing experience. Based on the female-centered Midwifery Model of Care, Ina May's Guide to Natural Childbirth gives expectant mothers comprehensive information on everything from the all-important mind-body connection to how to give birth without technological intervention. Filled with inspiring birth stories and practical advice, this invaluable resource includes:

- Reducing the pain of labor without drugs--and the miraculous roles touch and massage play
- What really happens during labor
- Orgasmic birth--making birth pleasurable
- Episiotomy--is it really necessary?
- Common

methods of inducing labor--and which to avoid at all costs

- Tips for maximizing your chances of an unmedicated labor and birth
- How to avoid postpartum bleeding--and depression
- The risks of anesthesia and cesareans--what your doctor doesn't necessarily tell you
- The best ways to work with doctors and/or birth care providers
- How to create a safe, comfortable environment for birth in any setting, including a hospital
- And much more

Ina May's Guide to Natural Childbirth takes the fear out of childbirth by restoring women's faith in their own natural power to give birth with more ease, less pain, and less medical intervention.

The Pregnancy Bible

Your Complete Guide to Pregnancy and Early Parenthood *Firefly Books*

Provides advice on all aspects of pregnancy and childbirth, covering such topic as prenatal care, intimacy and emotions, childbirth classes, and the stages of labor.

The Complete Guide to Becoming Pregnant *Random House India*

Are you or your partner having trouble conceiving? You're not alone. About 10-12 percent of Indians have infertility problems and this trend is increasing. Yet there is a stigma around infertility and many couples find it hard to talk openly about their problems or to get adequate information. Now Dr Firuza R. Parikh, India's top fertility specialist and gynaecologist, gives you the seminal

guide to infertility and its treatments. Simple, accessible, and completely authoritative, *The Complete Guide to Becoming Pregnant* tells you all that you need to know about conceiving a healthy child.

Dr. Spock's Pregnancy Guide will take you month by month through the thrilling journey to parenthood, with special focus on how to: -Follow the development of your growing baby -Find the right obstetrician or midwife -Deal with common symptoms and problems -Plan the kind of childbirth experience you want -Get good care every step of the way, and more For more than 50 years, Dr. Benjamin Spock was the world's best-known pediatrician. Drawing upon his

trusted philosophy of baby and child care, a new generation of experts at The Dr. Spock Company brings today's moms and dads the latest in parenting, child-health, and pregnancy information. Be sure to pick up Dr. Spock's Baby Basics, the first book in the Take Charge Parenting Guides series.

The Mother of All Pregnancy Books

An All-Canadian Guide to Conception, Birth and Everything In Between *John Wiley & Sons*

If you're looking for the inside scoop on what it's really like to have a baby, you've come to the right place. This comprehensive guide features a friendly, fresh, and fun approach to the greatest adventure life has to offer. Based on the

best advice from over 100 Canadian parents and panel of experts, this information is served up with a uniquely Canadian spin. The Mother of All Pregnancy Books is funny, entertaining, and packed with tons of nuts-and-bolts information and presents expectant parents with all the facts on such perennial hot topics as pain relief during labor, episiotomy, and circumcision, empowering them to make informed personal choices. Unique and innovative, this book is packed with helpful tools readers won't find anywhere else, including charts highlighting the risks of using various over-the-counter drug products during pregnancy, tables summarizing the functions of the 10 most important nutrients during pregnancy, lists of the 10 best-and

worst-baby products, and much, much more. Featuring a glossary of pregnancy-related terms, a sample birth plan and a set of emergency childbirth procedures, The Mother of All Pregnancy Books isn't afraid to tackle difficult subjects, like infertility, high-risk pregnancy, and pregnancy and infant loss -- topics that most other pregnancy books shy away from. New features include: The Pregnancy Roadmap: a week-by-week; month-by-month; and trimester-by-trimester overview of the key pregnancy milestones and highlights Pregnancy Q & As Baby Gear 101 Your Post-Partum Body And a brand new section called "The Truth About Pregnancy Brain"

The Complete Organic Pregnancy
Harper Collins

While being pregnant is thrilling, the responsibility of a growing baby can provoke anxiety about what is and isn't safe. In *The Complete Organic Pregnancy*, Deirdre Dolan and Alexandra Zissu address how you can minimize your exposure to the invisible toxins that surround us—in everything from food, cleaning products, and cosmetics to furniture, rugs, air, and water. Step by step, they tell you where dangerous chemicals are lurking, why it's so important to avoid them when pregnant, and what you can do before, during, and after your pregnancy to protect your child. In this exhaustively researched book, the authors (calmly) talk parents-to-be through everything from the safest laundry detergent to which crib mattresses contain toxic flame

retardants. You'll find out how to choose the right face cream, plastic water bottles, household cleaners, types of fish, and much more—all with an eye toward keeping you and your baby safe and healthy. *The Complete Organic Pregnancy* also features a collection of personal diaries from well-known writers and organophiles, including Barbara Kingsolver and Marion Nestle, as well as recipes from organic chefs. Required reading for anyone heading into this exciting stage of life, *The Complete Organic Pregnancy* is your chance to make a difference for your children, even before they're born.

Your Pregnancy Week by Week *Da Capo Lifelong Books*

The classic week-by-week guide to a

happy, healthy pregnancy--celebrating over 30 years of expert advice! Doctors recommend it and pregnant couples rely on it--and you and your partner will find it indispensable! For over thirty years, Dr. Glade B. Curtis and Judith Schuler have helped millions of parents-to-be navigate and prepare for the most exciting and challenging time of their lives--and now they'll help you. With *Your Pregnancy's* signature week-by-week format, including illustrations of your baby, you'll easily and comfortably follow your baby's development as it grows during these exciting 40 weeks. Whether you're a first-time parent just learning to navigate pregnancy or an experienced pro, *Your Pregnancy Week by Week* is the perfect, comprehensive resource to guide you through your

pregnancy. In this eighth edition, Dr. Curtis and Schuler address today's most pressing questions and concerns, including: Detailed descriptions and illustrations of baby's development Information on medical tests and procedures Tips on nutrition, your overall health and how it affects your growing baby Safe and easy weekly exercises to help you stay in shape Covering a wide range of new topics such as elective delivery, electronic cigarettes, pregorexia, salt-therapy spas, belly bands before and after pregnancy, and men preparing for pregnancy, *Your Pregnancy Week by Week* makes sure you and your partner will have everything you need to know at your fingertips--for this pregnancy and for any to follow.

The Labor Progress Handbook

Early Interventions to Prevent and Treat Dystocia *John Wiley & Sons*

Praise for the previous edition: "This...edition is timely, useful, well organized, and should be in the bags of all doulas, nurses, midwives, physicians, and students involved in childbirth." –Journal of Midwifery and Women's Health

The Labor Progress Handbook: Early Interventions to Prevent and Treat Dystocia is an unparalleled resource on simple, non-invasive interventions to prevent or treat difficult or prolonged labor. Thoroughly updated and highly illustrated, the book shows how to tailor one's care to the suspected etiology of the problem, using the least complex interventions first, followed by more

complex interventions if necessary. This new edition now includes a new chapter on reducing dystocia in labors with epidurals, new material on the microbiome, as well as information on new counselling approaches specially designed for midwives to assist those who have had traumatic childbirths. Fully referenced and full of practical instructions throughout, The Labor Progress Handbook continues to be an indispensable guide for novices and experts alike who will benefit from its concise and accessible content.

Bumpin'

The Modern Guide to Pregnancy: Navigating the Wild, Weird, and Wonderful Journey From Conception

Through Birth and Beyond *Tiller Press*

“A smart, approachable guide packed with practical advice for parents who want a science-backed, individualized approach to pregnancy.” —Linda Avey, Co-founder of 23andMe 2020 National Parenting Award Winner Feeling overwhelmed? Confused by conflicting advice? Bumpin’ will radically transform your pregnancy journey to one of confidence and optimism. With over a decade of experience advising women’s healthcare and technology companies, Leslie Schrock distills cutting-edge research into your most comprehensive pregnancy guide—from conception through the newborn months. Based on the latest clinical evidence and practical advice from top experts, Bumpin’ enables you to make the best decisions

for your unique family. With a look at the science, it tackles every pregnancy FAQ and topics like the truth about cleaning up your cosmetics, nutrition, epidurals, and activity; and the practical, like putting together a baby budget and navigating work. Bumpin’ also takes you all the way through the postpartum period because taking your baby home and recovering brings unexpected physical, mental, and life changes that are too often overlooked for you and your partner. Inside Bumpin’ you’ll find: - A trimester-by-trimester overview from trimester zero (conception) through the postpartum period and return to work - The truth about age and fertility and how to manage any issues that arise - Research on topics like vaccinations, breastfeeding, and exercise -The science

behind your physical changes, leaks, sweats, and every other unexpected pregnancy symptom – and how to manage them to enhance your long term health -Birth preferences and preparing for unpredictable changes -The challenges of navigating parental leave and returning to work -Unique advice for partners -Budgeting, finance tips, baby registry, and hospital checklists Every pregnancy is unique and often unpredictable. For Leslie, this meant handling curveballs like miscarriage and later a birth that didn't go according to plan. She turned her personal journey into this book, written while she was pregnant, with the help of a wide network of experts she consulted along the way, including doulas, ob-gyns, midwives, therapists, prenatal trainers,

and nutritionists. Warm, funny, and non-judgemental, Bumpin' will leave you feeling prepared and ready to tackle anything that comes your way. A portion of proceeds will be donated to Every Mother Counts and National Birth Equity Collaborative to support maternal and child health.

The Wise Woman's Guide to Your Healthiest Pregnancy and Birth

From Preconception to Postpartum *Simon and Schuster*

A fresh, new pregnancy guide—the first complete functional medicine book—offering women and their partners a comprehensive approach to maintain and enhance health and wellness before, during, and after pregnancy. The Wise

Woman's Guide to Your Healthiest Pregnancy and Birth combines the expertise of top-tier physical therapist Patricia Ladis—who works with superstar athletes, professional dancers, and celebrities—with Dr. Anita Sadaty, a highly regarded holistic ob-gyn with a celebrity clientele. Together, they have devised a six-step protocol beginning the six months before conception continuing forty days post-birth and beyond, incorporating holistic principles that encourage optimal wellness for mother, partner, and baby. Whether they are in their 20's, 30's or 40's, this book empowers readers to be in tune with their bodies during all stages of pregnancy, and is the first book by a functional medicine dream-team aligning medical and structural body issues to

avoid such potential pregnancy outcomes as osteoporosis, sciatica, pelvic prolapse, structural weakness, and postpartum depression. Each of the six stages organizes Ladis and Sadaty's holistic principles into five easy-to-follow aspects: Body, Movement, Breathing, Nourishment, and Wisdom. They include practical applications such as foods to help reduce internal inflammation, specific exercises—with instructive photos—in each stage, breathing techniques to lower stress, and “pearls of wisdom” backed by science exploring a multicultural history of this special time in a woman's life. For the first time, a pregnancy guide considers the importance of choices you make six months prior to conception, and the effect on genes. When both members of

a couple are calm, fit, and well-nourished, the latest science suggests that together they are less likely to pass on negative genes to a child.

Extreme Pregnancy Guide

The Complete Guide to Pregnancy and Birth *Createspace Independent Publishing Platform*

The Pregnancy Guide for Men

The Ultimate First-Time Dad's Handbook on What to Expect Having

a Baby and Becoming a New Father

With these simple tricks and tactics, you'll get through her pregnancy successfully... and master every step of the way. Are you finding it hard to tell whether you're excited or just scared pantsless? Of course, you're excited, but still, what the heck are you supposed to do now? Relax, and take a deep breath -- all dads have been in your same shoes once before. Finding out that you're going to be a dad is one of the most rewarding moments in life, but yes, it certainly comes with a lot of questions and concerns. But the good news is that you're not alone! And the even better news is that all the information you're ever going to need already exists. The crazy moments you could never see coming... well, now you can prepare for

them. The emotional roller coaster your significant other is about to take you on - - we're going to put you in the driver's seat. Those 10 million thoughts bouncing around in your head -- it's time to put some structure to it all and relax into a well-organized plan of attack. This doesn't have to be a stressful and confusing time in your life. In fact, it shouldn't be. With these powerful insights and knowledge from fathers around the world, you'll soon find yourself feeling prepared and ready for your new best friend to enter this beautiful world. Set that confusion aside and step into a position of personal empowerment, knowing that no matter what comes your way, you're going to be ready for it. In *The Pregnancy Guide For Men*, you'll discover: How to navigate

everything that is expected of you -- without feeling overwhelmed and like you're losing it. The biggest challenges you're going to face during pregnancy -- and simple (but effective) ways to overcome them. Month by month guidance -- from the pregnancy test to when she's in that hospital bed, ensure that you never miss a beat. Why you need to have a birth plan -- and how you can lead the way into setting one up successfully. A deeper look into how your significant other will feel throughout each stage of the process so you can help her through her emotional storms. The pros and cons of finding out your baby's sex beforehand -- and how either stance will bring your family a ton of joy. What you need to do before labor is induced that'll make everyone's life so

much easier ... and much more! Whether her pregnancy caught you by surprise or you've been anticipating it, now is the time for you to step it up. With this awareness and step-by-step guidance, you're going to find yourself prepared and ready for whatever parenthood throws your way. Don't let your doubts and fears stand in the way -- you've got this! If you're ready to set your child up for the most successful life possible, then scroll up and click the "Add to Cart" button right now.

The Pregnant Body Book *Dorling Kindersley Ltd*

The complete illustrated guide from conception to birth. The Pregnant Body Book is a comprehensive visual guide to every aspect of conception, pregnancy and birth exploring the important

changes that take place in a completely revolutionary way. State-of-the-art images, extraordinary photography and accessible text track each stage of both the mother and baby's development from fertilisation to birth week-by-week. This unprecedented guide covers everything you could possibly want to know from the science behind sex and conception to the intricacies of genetics and includes a detailed look at the anatomy and physiology of both the male and female reproductive systems and the groundbreaking medical advances that define the 21st-century understanding of pregnancy. The Pregnant Body Book is the first of its kind and an ideal reference for prospective parents, as well as both medical and midwifery students.

The Science of Pregnancy

The Complete Illustrated Guide From Conception to Birth *Penguin*

Follow the amazing journey of the earliest stages of human life, with month-by-month development shown in unprecedented detail. The complex concepts and processes of emerging life are demystified with clear, jargon-free text, while exclusive 3-D images, extraordinary photographs, and detailed illustrations illuminate every aspect of human pregnancy. The largest section of the book examines the development of the baby in the womb and the parallel changes in the mother's body. Special 3-D art, illustrations, scans, and photographs show exactly how a baby changes and grows during pregnancy

and how the female body adapts to carry it. A section on labor and birth explains these processes with step-by-step illustrations and easy-to-grasp text. The Science of Pregnancy also looks at the nature of human pregnancy, including how it evolved, and explores the anatomy and physiology of both the male and female reproductive systems. The mysteries of DNA and genetics are unraveled and explained in clear, illustrated detail, including patterns of inheritance and the interplay of genes and environment. Also provides straightforward, illustrated information on possible problems before, during, and after birth.
