Advanced English Collocations & Phrases in Dialogues

Master English Collocations with the Aid of Functional Dialogues Once and for All

Why is it important to learn collocations and idioms? An appreciation of collocation and idioms will help you to: - use the words you know more accurately In other words, you'll make (NOT do) fewer mistakes. - sound more natural when you speak and write By saying, for example, go blank, rather than forget everything, you won't just be understood, you will - quite rightly - sound like a fluent user of English. - vary your speech and, probably more importantly, your writing Instead of repeating everyday words like very, good or nice, you will be able to exploit a wider range of language. Learning collocations, idioms and phrases means no more struggle, pausing or confusion while dealing with any of the major skills of the language (writing, reading, speaking and listening). This is the most effective method to use English words in a correct but natural way.

English Collocations in Use. Advanced. 2nd Edition. Book with Answers

English Pronunciation in Use Advanced 5 Audio CDs *Cambridge University Press*

The best-selling English Pronunciation in Use is a comprehensive reference and practice book suitable for self-study or classroom work. Sixty easy-to-use units cover all aspects of pronunciation, including individual sounds, word stress, connected speech and intonation. The versions with audio CDs include audio material in a range of accents, supporting each unit. An additional reference section offers a glossary of specialized terms, help with the pronunciation of numbers and geographical names and fun exercises on phonemic symbols and minimal pairs. The version with CD-ROM provides a wide variety of additional interactive activities to reinforce the pronunciation covered in the book, as well as tests, progress checks, games and animated diagrams of the mouth showing learners how to produce individual sounds. Learners can also record themselves and compare their pronunciation with one of the many models provided.

Longman Collocations Dictionary and Thesaurus *Longman*

This dictionary for intermediate-advanced level learners of English as a foreign language, combines a collocations (combination of words used) dictionary with a thesaurus, ensuring English learners choose the correct word and collocation every time.

Check Your Vocabulary for Natural Collocations

All you need to improve your vocabulary *A&C Black*

Check Your Vocabulary workbooks are aimed at non-native speakers who want to build essential vocabulary and learn to speak fluent and natural-sounding English. For example, in English we use different words to describe different types of food when they go bad. We can describe meat as rotten, cheese as mouldy, milk as sour and butter as rancid - but we would not say sour meat, or rotten milk. Knowing how words are naturally used together is known as collocation. A good knowledge of these word combinations greatly improves the style of written and spoken language for non-native speakers. Knowledge of collocations is often tested in exams such as IELTS, TOEFL and TOEIC. Containing a range of word games, quizzes and exercises, this workbook will help intermediate learners to develop core language skills in a challenging, yet entertaining way.

English as a Global Language *Cambridge University Press*

David Crystal's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Spoken Language and Applied Linguistics *Cambridge University Press*

This book argues for putting spoken language at the centre of the syllabus.

Ashes Under Water

The SS Eastland and the Shipwreck That Shook America *Rowman & Littlefield*

The untold story of the worst disaster on the Great Lakes in U.S. History. On July 24th, 1915, Chicago commuters were horrified as they watched the SS Eastland, a tourism boat taking passengers across Lake Michigan, flip over while tied to the dock and drown 835 passengers, including 21 entire families. Rockefeller, Morgan, and Carnegie had bought into the ship business in the Midwest, creating a boom market and a demand for ships that were bigger, longer, faster. The pressure-filled and greedy climate that resulted would be directly responsible for the Eastland disaster and others. As dramatic as the disaster was, the subsequent trial was even more so. The public demanded justice. When the immigrant engineer who was being scapegoated for the accident was left out to dry by the ship's owners, penniless and down-on-his-luck Clarence Darrow decided to take his case. The defense he mounted, which he was too ashamed to even mention in his memoirs, would be even more shocking.

Cambridge Advanced Learner's Dictionary KLETT VERSION *Cambridge University Press*

The Cambridge Advanced Learner's Dictionary gives the vital support which advanced students need, especially with the essential skills: reading, writing, listening and speaking.
