Whether you're aiming to broaden your perspectives or perform research study, our straightforward and cost-free solution is here to support you every step of the way.

The Seven Principles for Making Marriage Work

The revolutionary guide to show couples how to create an emotionally intelligent relationship - and keep it on track Straightforward in its approach, yet profound in its effect, the principles outlined in this book teach partners new and startling strategies for making their marriage work. Gottman has scientifically analysed the habits of married couples and established a method of correcting the behaviour that puts thousands of marriages on the rocks. He helps couples focus on each other, on paying attention to the small day-to-day moments that, strung together, make up the heart and soul of any relationship. Packed with questionnaires and exercises whose effectiveness has been proven in Dr Gottman's workshops, this is the definitive guide for anyone who wants their relationship to attain its highest potential.

The Seven Principles for Making Marriage Work *Harmony*

Just as Masters and Johnson were pioneers in the study of human sexuality, so Dr. John Gottman has revolutionized the study of marriage. As a professor of psychology at the University of Washington and the founder and director of the Seattle Marital and Family Institute, he has studied the habits of married couples in unprecedented detail over the course of many years. His findings, and his heavily attended workshops, have already turned around thousands of faltering marriages. This book is the culmination of his life's work: the seven principles that guide couples on the path toward a harmonious and long-lasting relationship. Straightforward in their approach, yet profound in their effect, these principles teach partners new and startling strategies for making their marriage work. Gottman helps couples focus on each other, on paying attention to the small day-to-day moments that, strung together, make up the heart and soul of any relationship. Being thoughtful about

ordinary matters provides spouses with a solid foundation for resolving conflict when it does occur and finding strategies for living with those issues that cannot be resolved. Packed with questionnaires and exercises whose effectiveness has been proven in Dr. Gottman's workshops, The Seven Principles for Making Marriage Work is the definitive guide for anyone who wants their relationship to attain its highest potential. The Seven Principles for Making Marriage Work is the result of Dr. John Gottman's many years of closely observing thousands of marriages. This kind of longitudinal research has never been done before. Based on his findings, he has culled seven principles essential to the success of any marriage. Maintain a love map. Foster fondness and admiration. Turn toward instead of away. Accept influence. Solve solvable conflicts. Cope with conflicts you can't resolve. Create shared meaning. Dr. Gottman's unique questionnaires and exercises will guide couples on the road to revitalizing their marriage, or making a strong one even better.

The Seven Principles for Making Marriage Work *Harmony*

Drawing on research into the dynamics of healthy relationships, a study of the basic principles that make up a long-lasting marriage shares advice on how to cope with such issues as work, children, money, sex, and stress.

Making Learning Whole

How Seven Principles of Teaching Can Transform Education *John Wiley & Sons*

New in Paperback! Make learning more meaningful by teaching the "whole game" David Perkins, a noted authority on teaching and learning and co-director of Harvard's Project Zero, introduces a practical and research-based framework for teaching. He describes how teaching any subject at any level can be made more effective if students are introduced to the "whole game," rather than isolated pieces of a discipline. Perkins explains how learning academic subjects should be approached like learning baseball or any game, and he demonstrates this with seven principles for making learning whole: from making the game worth playing (emphasizing the importance of motivation to sustained learning), to working on the hard parts (the importance of thoughtful practice), to learning how to learn (developing self-managed learners). Vividly explains how to organize learning in ways that allow people to do important things with what they know Offers guidelines for transforming education to prepare our youth for success in a rapidly changing world Filled with real-world, illustrative examples of the seven principles At the end of each chapter, Perkins includes "Wonders of Learning," a summary of the key ideas.

The Art of Community

Seven Principles for Belonging *Berrett-Koehler Publishers*

Bring People Together! Strong communities help people support one another, share their passions, and achieve big goals. And such communities aren't just happy accidents—they can be purposefully cultivated, whether they're in a company, in a faith institution, or among friends and enthusiasts.

Drawing on 3,000 years of history and his personal experience, Charles Vogl lays out seven time-tested principles for growing enduring, effective, and connected communities. He provides hands-on tools for creatively adapting these principles to any group—formal or informal, mission driven or social, physical or virtual. This book is a guide for leaders seeking to build a vibrant, living entity that will greatly enrich its members' lives.

What Makes Love Last?

How to Build Trust and Avoid Betrayal *Simon and Schuster*

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of—"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

Eight Dates

Essential Conversations for a Lifetime of Love *Workman Publishing*

Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, Eight Dates offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice— the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, Eight Dates offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really

feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling—it's about both of you being active and involved.

10 Principles for Doing Effective Couples Therapy (Norton Series on Interpersonal Neurobiology) *W. W. Norton & Company*

From the country's leading couple therapist duo, a practical guide to what makes it all work. In 10 Principles for Doing Effective Couples Therapy, two of the world's leading couple researchers and therapists give readers an inside tour of what goes on inside the consulting rooms of their practice. They have been doing couples work for decades and still find it challenging and full of learning experiences. This book distills the knowledge they've gained over their years of practice into ten principles at the core of good couples work. Each principle is illustrated with a clinically compiled case plus personal side-notes and storytelling. Topics addressed include: • You know that you need to "treat the relationship," but how are you supposed to get at something as elusive as "a relationship"? • How do you empathize with both clients if they have opposite points of view? Later on, if they end up separating does that mean you've failed? Are you only successful if you keep couples together? • Compared to an individual client, a relationship is an entirely different animal. What should you do first? What should you look for? What questions should you ask? If clients give different answers, who should you believe? • What are you supposed to do with all the emotional and personal history that your clients stir up in you? • How can you make your work research-based? No one who works with couples will want to be without the insight, guidance, and strategies offered in this book.

The Man's Guide to Women

Scientifically Proven Secrets from the Love Lab About What Women Really Want *Rodale Books*

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, The Man's Guide to Women unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New York Times bestseller The Seven Principles for Making Marriage Work, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. The Man's Guide to Women is a must-have playbook for how to play—and win—the game of love.

The Way of the Shepherd

Seven Secrets to Managing Productive People *Zondervan*

Discover a fresh perspective on the art of leading in Dr. Kevin Leman's story about a young reporter who lands the meeting of a lifetime and walks away with the keys to exceptional leadership. The Way of the Shepherd points you beyond dated trends and out-of-touch management techniques to the strategies that will make you a truly outstanding leader. When William Pentak had the once-in-a-lifetime opportunity to interview Ted McBride, one of the most respected CEOs in America, he was shocked by what McBride was willing to share. McBride taught him the seven secrets he inherited long ago from his mentor—an eccentric but brilliant professor who passed on these time-tested management principles that, while ancient in their origin, are still applicable in today's fast-paced, high-tech world. Throughout The Way of the Shepherd, you'll learn how to infuse your work with meaning, no matter your role, title, industry, or the size of your team. Uncover the tried-and-true best practices for how to engage, energize, and ignite your workforce by: Getting to know your team, one person at a time Relentlessly communicating your values and your mission Defining the cause for your people and showing them where they fit in Having a heart for the people that you're leading Understanding that great leadership isn't just professional, it's personal If you're ready to transform your team, create a culture of belonging, and truly learn to lead by example, it's time to discover The Way of the Shepherd.

The Seven Principles of Man *Health Research Books*

The Happiness Advantage

How a Positive Brain Fuels Success in Work and Life *Currency*

INTERNATIONAL BESTSELLER • The happy secret to greater success and fulfillment in work and life—a must-read for everyone trying to flourish in a world of increasing stress and negativity “Thoughtfully lays out the steps to increasing workplace positivity.”—Forbes In the book that inspired one of the most popular TED Talks of all time, New York Times bestselling author Shawn Achor reveals how rewiring our brain for happiness helps us achieve more in our careers and our relationships and as students, leaders, and parents. Conventional wisdom holds that once we succeed, we'll be happy; that once we get that great job, win that next promotion, lose those five pounds, happiness will follow. But the science reveals this formula to be backward: Happiness fuels success, not the other way around. Research shows that happy employees are more productive, more creative, and better problem solvers than their unhappy peers. And positive people are significantly healthier and less stressed and enjoy deeper social interaction than the less positive people around them. Drawing on his original research—including one of the largest studies of happiness ever conducted—and work in boardrooms and classrooms across forty-two countries, Achor shows us how to rewire our brains for positivity and optimism to reap the happiness advantage in our lives, our careers, and even our health. His strategies include: • The Tetris Effect: how to retrain our brains to spot patterns of possibility so we can see and seize opportunities all

around us • Social Investment: how to earn the dividends of a strong social support network • The Ripple Effect: how to spread positive change within our teams, companies, and families By turns fascinating, hopeful, and timely, The Happiness Advantage reveals how small shifts in our mind-set and habits can produce big gains at work, at home, and elsewhere.

Fierce Conversations

Achieving Success at Work & in Life, One Conversation at a Time *Penguin*

Shows how to make the most of conversations by communicating clearly and forcefully, offering advice on how to overcome barriers to meaningful conversation, confront tough issues, and leverage new skills for frictionless debate.

True Storytelling

Seven Principles For An Ethical and Sustainable Change-Management Strategy *Routledge*

True Storytelling is a new method of studying, planning, facilitating, ensuring, implementing and evaluating ethical and sustainable changes in companies, organizations and societies. True Storytelling is both a method with seven principles and a mindset to help managers and researchers to work with change. True Storytelling stresses that we need to balance the resources of the Earth, our wellbeing and the economy when we are dealing with change. It is not only a book about how to prevent climate change, it is also a book about how we can navigate through crisis, create less stress and achieve better life in organizations and in society as a whole. You will learn how to create innovative start-ups with a purpose and fund money for sustainable projects and good ideas. The book combines practical cases, interviews with managers and CEOs, theory and philosophy to define the method and to teach the Seven True Storytelling Principles: 1 You yourself must be true and prepare the energy and effort for a sustainable future 2 True storytelling makes spaces that respect the stories already there 3 You must create stories with a clear plot, creating direction and helping people prioritize 4 You must have timing 5 You must be able to help stories on their way and be open to experiment 6 You must consider staging, including scenography and artefacts 7 You must reflect on the stories and how they create value This book is a guide to implementing these core principles to boost leadership practices, create a storytelling culture and staff buy-in. The method is also useful as an analytical tool for organizations, managers and consultants in order to prepare, plan and execute the implementation of strategies. It is valuable reading for researchers and students at master level as well as leaders and consultants in charge of ethical and sustainable changes.

7 Principles of Transformational Leadership

Create a Mindset of Passion, Innovation, and Growth *Red Wheel/Weiser*

In the world of work, the single greatest asset of successful individuals, teams, and organizations is their mindset—what happens in between their ears. It's not the corporate strategy, the sales

compensation plan, or the market segments they're pursuing. It is what each leader, team member, and employee chooses to focus on, believe, and create for themselves and others. 7 Principles of Transformational Leadership presents the fundamental concepts whose implementation will result in dramatic revenue, performance, and relationship growth. Specifically, leaders will learn to: Live their professional and personal lives with unbridled purpose and passion. Execute strategic priorities more effectively and with accelerated results. Retain the brightest and best talent. Have employees, key stakeholders, and managers enthusiastically follow them. Be exemplars of innovation, growth, and positive mindsets. Cascade excellence throughout their organizations. You may have employees with all the talent in the world, but you'll never achieve remarkable results until you change your employees' mindset. 7 Principles of Transformational Leadership will help you convert your human potential into accelerated business results.

Cultivating Communities of Practice

A Guide to Managing Knowledge *Harvard Business Press*

Today's economy is fueled by knowledge. Every leader knows this to be true, yet few have systematic methods for converting organizational knowledge into economic value. This book argues that communities of practice--groups of individuals formed around common interests and expertise--provide the ideal vehicle for driving knowledge-management strategies and building lasting competitive advantage. Written by leading experts in the field, *Cultivating Communities of Practice* is the first book to outline models and methods for systematically developing these essential groups. Through compelling research and company examples, including DaimlerChrysler, McKinsey & Company, Shell, and the World Bank, authors Etienne Wenger, Richard McDermott, and William M. Snyder show how world-class organizations have leveraged communities of practice to drive strategy, generate new business opportunities, solve problems, transfer best practices, develop employees' professional skills, and recruit and retain top talent. Underscoring the new central role communities of practice are playing in today's knowledge economy, *Cultivating Communities of Practice* is the definitive guide to fostering, designing, and developing these powerful groups within and across organizations.

Ten Lessons to Transform Your Marriage

America's Love Lab Experts Share Their Strategies for Strengthening Your Relationship *Harmony*

The experts at the Love Lab introduce a series of effective tools and practical steps for couples looking to improve or preserve their relationships, explaining how to identify common problems and to develop positive ways to avoid these destructive pitfalls. Reprint. 40,000 first printing.

The Seven Principles of Life and the Power of Creation

Time stops for no one until they die-and so, it's time to take initiative and climb your ladder of success. In *The Seven Principles of Life and the Power of Creation*, Benjamin Franklin Smith teaches

you how to harness the power of the VPAT Techniques (visualization, planning, action, and tracking) to develop the know-how and discipline necessary to achieve health, happiness, and prosperity (H2P). With H2P, you can attain wealth and success during your lifetime and make your world a better place. Told in an engaging, approachable style-presented through conversations between the author as a young adult and his family mentors-*The Seven Principles of Life and the Power of Creation* contains practical applied knowledge and timeless wisdom that can substantially benefit everyone, no matter where they are in their life's journey.

Coach Wooden

The 7 Principles That Shaped His Life and Will Change Yours *Revell*

Based on seven principles given to Coach Wooden by his father, this book helps the reader discover how to be successful and a person of character and integrity.

The Power of Agency

The 7 Principles to Conquer Obstacles, Make Effective Decisions, and Create a Life on Your Own Terms *St. Martin's Press*

Introducing *The Power of Agency*, a science-backed approach to living life on your own terms. Agency is the ability to act as an effective agent for yourself—reflecting, making creative choices, and constructing a meaningful life. Grounded in extensive psychological research, *The Power of Agency* gives you the tools to help alleviate anxiety, manage competing demands and help you live your version of success. Renowned psychology experts Paul Napper and Anthony Rao will help you break through your state of overwhelm by showing you how to access your personal agency with seven empowering principles: control stimuli, associate selectively, move, position yourself as a learner, manage your emotions and beliefs, check your intuition, deliberate and then act. Featuring stories of people who have successfully applied these principles to improve their lives, *The Power of Agency* will give you the insights and skills to build your confidence, conquer challenges, and live more authentically.

Why Marriages Succeed or Fail

And How You Can Make Yours Last *Simon and Schuster*

Psychologist John Gottman has spent twenty years studying what makes a marriage last. Now you can use his tested methods to evaluate, strengthen, and maintain your own long-term relationship.

This breakthrough book guides you through a series of self-tests designed to help you determine what kind of marriage you have, where your strengths and weaknesses are, and what specific actions you can take to help your marriage. You'll also learn that more sex doesn't necessarily improve a marriage, frequent arguing will not lead to divorce, financial problems do not always spell trouble in a relationship, wives who make sour facial expressions when their husbands talk are likely to be separated within four years and there is a reason husbands withdraw from arguments—and there's a way around it. Dr. Gottman teaches you how to recognize attitudes that doom a marriage—contempt, criticism, defensiveness, and stonewalling—and provides practical exercises, quizzes, tips, and techniques that will help you understand and make the most of your relationship. You can avoid patterns that lead to divorce, and—Why Marriages Succeed or Fail will show you how.

Can We Talk?

Seven Principles for Managing Difficult Conversations at Work *Kogan Page Publishers*

Are you avoiding an uncomfortable conversation at work? If you're an executive or a team leader, strengthening your organization's ability to have difficult conversations is necessary and worth the discomfort. The key to successful dialogue starts and ends with changing the conversation. Recognizing that it takes two people to engage in meaningful outcomes, *Can We Talk?* outlines what each contributor needs to do to achieve the best possible result. Using examples from everyday work situations, this book offers guidance on how to create the right conditions for a meaningful discussion. The author identifies the seven key principles that enable both parties to gain a deeper understanding of what the other person may be thinking and will help establish their point of view more clearly: confidence, clarity, compassion, curiosity, compromise, credibility, courage. *Can We Talk?* includes examples and advice from those who have been there and thrived, as well as lessons learned from conversation failures and example scripts of productive conversations. Readers will learn how to prepare, start and manage the potentially challenging exchange of words that typically occur at work, and come away with an understanding that for any conversation to take place, both parties must be engaged.

The 7 Principles of Stress

Extend Life, Stay Fit, and Ward Off Fat--What You Didn't Know about How Stress Can Reboot Your Mind, Energy, and Sex Life *North Atlantic Books*

Ori Hofmekler, acclaimed author of *The Warrior Diet* and one of the first proponents of intermittent fasting, challenges conventional wisdom about diet, fitness, and anti-aging with a new approach to health that uses stress to live longer, stay fit, and ward off fat. Supported by cutting-edge research, this book redefines the term "nutrition" as it reveals the stress-mimicking nutrients that yield the same benefits as fasting and exercising. At the core of the book is the biology of stress and the way it affects key aspects of life from feeding and sexual behavior to mental and physical performance. Hofmekler demonstrates that there is a thin line between beneficial stress and harmful stress, and shows how to put knowledge of the difference into powerful practice. His book is a call to action-

-a manifesto of living life to its utmost evolutionary potential, under stress, as nature intended.

Love Works

Seven Timeless Principles for Effective Leaders *Zondervan*

Updated and Expanded Edition of the Leadership Bestseller *Harness the meaning of love*, the verb, to improve your corporate culture and bottom line with the help of Joel Manby, former President and CEO of both SeaWorld Parks & Entertainment and Herschend Enterprises. Joel won the respect of America with his appearance on the CBS reality TV series *Undercover Boss*. A highly successful corporate executive, Joel Manby is unlike most other CEOs. As the 18 million viewers of *Undercover Boss* witnessed, Manby has a unique style of leadership--servant leadership--which has a profound impact on his employees. In this updated and expanded edition of *Love Works*, Manby demonstrates that leading with love is effective even in extremely difficult business environments, which he experienced at SeaWorld. With an all-new introduction and two additional chapters, Manby shares more of his own leadership and personal stories, giving insight that will help you become a more effective leader by: Cultivating a culture that builds improved employee engagement and long-term success Outlining seven time-proven principles that break down the natural walls within the workplace Overcoming personal failures at work and home Empowering your managers and employees Disarming difficulties in the workplace Discover the truth of the power of love to change the course of your business and your life today!

The 7 Principles of Conflict Resolution**How to resolve disputes, defuse difficult situations and reach agreement** *Pearson UK*

7 Principles of Conflict Resolution is the go-to resource for conflict and dispute resolution, whether you're new to the subject or an experienced practitioner. This book sets out 7 principles to create and maintain successful, workable relationships through effective conflict resolution. It provides you with the tools to resolve or mediate difficult conversations and conflict situations whatever the situation or context and help other people do the same to transform professional and personal relationships permanently. Crucially, it allows you to achieve results without the need to go to court or litigation even when conflict has escalated or is entrenched. The 7 principles to effective conflict resolution will enable you to understand, discuss and resolve problematic situations whether

as an individual or organisation: 1. Acknowledge the Conflict 2. Take Control: building resolution focussed conversations 3. Construct a Resolution with the Conflict Resolution Framework 4. Enable others' Success 5. Build the Resolution Culture 6. Walk the Walk 7. Engage the safety net: When informal resolution doesn't work 7 Principles of Conflict Resolution will guide you through the process from beginning to end, with a framework for conversations and tools, techniques and strategies that work. There are also templates, exercises and worksheets that you can use to support conversations.

Love That Boy**What Two Presidents, Eight Road Trips, and My Son Taught Me About a Parent's Expectations** *Harmony*

"[A]n eloquent, brave, big-hearted book...about the timeless anxieties and emotions of parenthood, and the modern twists thereon." —James Fallows, The Atlantic Love That Boy is a uniquely personal story about the causes and costs of outsized parental expectations. What we want for our children—popularity, normalcy, achievement, genius—and what they truly need—grit, empathy, character—are explored by National Journal's Ron Fournier, who weaves his extraordinary journey to acceptance around the latest research on childhood development and stories of other loving-but-struggling parents.

Summary of "The Seven Principles For Making Marriage Work" by John Gottman - Free book by QuickRead.com *QuickRead.com*

Want more free books like this? Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. The revolutionary guide for learning the seven principles for creating a happy marriage that will last a lifetime. Divorce statistics are higher than ever. 67 percent of first marriages will end in divorce within 40 years and half of those will occur within the first 7 years. The divorce rate is even higher for second marriages, so it makes sense for couples to put forth the effort into making their marriage work. But how can you ensure your marriage will go the distance? Throughout Dr. Gottman's Love Lab, Gottman revolutionized the study of marriage by using scientific procedures and observing the habits of married couples in detail over several years. His research methods revealed the key to happy marriages as well as the detriments that lead to divorce. The seven principles outline the path to success as well as tips for effective communication and agreeable compromise.

And Baby Makes Three**The Six-Step Plan for Preserving Marital Intimacy and Rekindling Romance After Baby Arrives** *Harmony*

Drawing on separate scientific studies, two relationship experts introduce the knowledge and skills couples need to make the transition to parenthood, using practical advice and real-life examples to help couples avoid relationship meltdown, maintain a healthy sex life, preserve emotional intimacy,

prevent postpartum depression, and create a nurturing environment. Reprint. 50,000 first printing.

Purpose and Power of Love and Marriage *Destiny Image Publishers*

Probably no other dimension of human experience has been pondered, discussed, debated, analyzed, and dreamed about more than the nature of true love. Love is everywhere -- in songs and in books, on televisions and on movie screens. Yet, for all of our thinking and talking, how many of us truly understand love and where can we turn for genuine insight in matters of true love?

The Kybalion

A Study of The Hermetic Philosophy of Ancient Egypt and Greece *Sunsight Press*

The Kybalion: A Study of the Hermetic Philosophy of Ancient Egypt and Greece is a book originally published in 1908 by New Thought author William Walker Atkinson under the pseudonym "The Three Initiates". This book is not exactly The Kybalion itself, it is more of a critical interpretation by Atkinson on hermetic philosophy. As such, it should be read with this in mind that it is not an authoritative hermetic text, but one only dedicated to Hermes Trismegistus. The Kybalion presents seven universal principles it proposes to be the Seven Hermetic Principles: Mentalism, Correspondence, Vibration, Polarity, Rhythm, Cause and Effect, and Gender. These principles are essentially explications of cycles, and before these principles is the notion of the primacy of mind as the cause of All (philosophical mentalism). This idea of mentalism is inspired by what is written about the Mind in The Hermetica. Coinciding with Spiritualism, New Thought, and Theosophy, the book became very popular in New Age movements, particularly with its notion of spiritual and mental alchemy. The Kybalion is a text which must be read with this in mind, while it is an interpretation of hermetic philosophy, it is in part still a relic of its time. Its influence cannot be understated, and the need to read it critically cannot be overstated.

Ivy and Kem and The Seven Universal Principles

Ivy & Kem and the Seven Universal Principles is a children's book that tells the everyday stories of two friends. The main characters, Ivy and Kem, are pre-teens. Through their daily lives, children of all ages can learn the 7 Hermetic Principles. The book uses relatable, realistic, and modern short stories to help the young reader remember each principle. Each chapter includes a short story from Ivy and Kem and the author's detailed interpretation explaining each Principle in a way a tween can understand. The book has beautiful full-color images to engage a young reader. And for parents who may want to begin explaining these concepts to younger children, the book provides relatable content to begin to explain each principle. The Principles of the Universe are natural laws that govern everyone and everything and date back more than 5,000 years to Ancient Egypt. They are the Principles of Mentalism, Correspondence, Vibration, Polarity, Rhythm, Cause and Effect and Gender. Introducing these principles to children early will help the young reader begin to master self and live in more harmony with the Universe. Everything starts in the mind. Introduce your young reader to the Hermetic Principles for children in this full color, illustrated, easy to read book.

Trading in the Zone

Master the Market with Confidence, Discipline, and a Winning Attitude *Penguin*

Douglas uncovers the underlying reasons for lack of consistency and helps traders overcome the ingrained mental habits that cost them money. He takes on the myths of the market and exposes them one by one teaching traders to look beyond random outcomes, to understand the true realities of risk, and to be comfortable with the "probabilities" of market movement that governs all market speculation.

Pathfinding

Seven Principles for Positive Living

Like the bee that draws nectar from deep inside the flower to make honey, Patricia Raskin is a catalyst who draws out the positive, life-enriching wisdom of others, and serves it up as enriching honey for your soul. Using stories from her father, as well as from the famous guests on her radio and television programs, this book is a beehive of cross-pollination which transfers life experiences into food for thought ... a honeycomb of strength, hope and positive action for these challenging times.
