books for courses in LITERATURE - penguin.com

Gates provides a broader view of the canon of classics of African American literature available from Penguin Classics and beyond. Gates writes, "These texts reveal the human universal through the African American particular: all true art, all classics do this; this is what 'art' is, a revelation of that which makes each of us sublimely human, rendered in the minute details of the actions and thoughts and feelings of a compelling character embedded in a time and place."
