MK is at her best weaving a story that is just addictive. We see Ulls redemption and his ability to love in the true sense and the realisation of what earth women have brought to his world and their lives. The journey of Their relationship is so real, enlightening and endearing that you can't help fall for Ull as he sees the error of his ways.

Grim is one of my favourite characters of M.K. Eidem and I love every story surrounding him, Lisa and their girls. Can
