The Real James Herriot

The Authorized Biography

No one is better poised to write the biography of James Herriot than the son who worked alongside him in the Yorkshire veterinary practice when Herriot became an internationally bestselling author. Now, in this warm and poignant memoir, Jim Wight talks about his father--the beloved veterinarian whom his family had to share with half the world. Alf Wight (aka James Herriot) grew up in Glasgow,

where he lived during a happy rough-and-tumble childhood and then through the challenging years of training at the Glasgow Veterinary College. The story of how the young vet later traveled to the small Yorkshire town of Thirsk, aka Darrowby, to take the job of assistant vet is one that is well known through James Herriot's internationally celebrated books and the popular All Creatures Great and Small television series. But Jim Wight's biography ventures beyond the trials and tribulations of his father's life as a veterinarian to reveal the man behind the stories--the private individual who refused to allow fame and wealth to interfere with his practice or his family. With access to all of his father's papers, correspondence, manuscripts, and photographs--and intimate remembrances of all the farmers, locals, and friends who populate the James Herriot books--only Jim Wight could write this definitive biography of the man who was not only his father but his best friend.

All Things Wise and Wonderful *Macmillan*

In the midst of World War II, the Yorkshire veterinarian muses on past adventures through the Yorkshire dales, visiting with old friends and introducing scores of new characters--both human and animal. Reprint. 15,000 first printing.

Every Living Thing *St. Martin's Griffin*

This fifth and final installment in James Herriot's heartwarming collection brings back familiar friends (including old favorites such as Tricki Woo) and introduces new ones, including Herriot's children Rosie and Jimmy and the marvelously eccentric vet Calum Buchanan. Every Living Thing is a perfect opportunity for existing fans of Herriot's work to reacquaint themselves with his writing, and for those who've never read him to see what generations of animal lovers have already discovered: James Herriot is that rarest of creatures, a genuine master storyteller.

Good Omens

The Nice and Accurate Prophecies of Agnes Nutter, Witch *Harper Collins*

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

Masterpiece

America's 50-Year-Old Love Affair with British Television Drama *Rowman & Littlefield Publishers*

The classic television program has brought its fans protagonists such as The Dowager Countess and Ross Poldark and series that include Downton Abbey and Prime Suspect. In Masterpiece: America's 50-Year-Old Love Affair with British Television Drama, Nancy West provides a fascinating history of the acclaimed program. West combines excerpts from original interviews, thoughtful commentary, and lush photography to deliver a deep exploration of the television drama. Vibrant stories and anecdotes about Masterpiece's most colorful shows are peppered throughout, such as why Benedict Cumberbatch hates Downton Abbey and how screenwriter Daisy Goodwin created a teenage portrait of Queen Victoria after fighting with her daughter about homework. Featuring an array of color photos from Masterpiece's best-loved dramas, this book offers a penetrating look into the program's influence on television, publishing, fashion, and its millions of fans.

The War of the Worlds *First Avenue Editions™*

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. All Things Bright and Beautiful *Bantam*

Is There Life Outside The Box?

An Actor Despairs *Kings Road Publishing*

His fans have spoken, but despite their requests, Peter Davison has gone ahead and written his autobiography anyway. It wasn't the book they tried to stop - it was more like the book they didn't want him to start. An aspiring singer-songwriter, once dubbed Woking's answer to Bob Dylan (by his mum, who once heard a Bob Dylan song), Peter actually penned a hit for Dave Clark but soon swapped a life on the pub circuit to tread the boards. From colonial roots - his dad was Guyanese and his mother was born in India - the family settled in Surrey where Peter's academic achievements were unspectacular - he even managed to fail CSE woodwork, eliciting a lament from his astonished teacher ('All you have to do is recognise wood!'). Despite this, Peter has secured his place in science fiction history, becoming the fifth Doctor Who, although he nearly turned down the role. The Time Lord connection continued with the marriage of his daughter Georgia to Dr Who number ten, David Tennant. The artist formerly known as Peter Malcolm Gordon Moffett has starred in a number of television series including Love for Lydia, A Very Peculiar Practice, At Home with the Braithwaites and The Last Detective and became a national treasure for having his arm up a cow in his role as Tristan Farnon in All Creatures Great and Small. He was also in a Michael Winner movie... He made his first stage appearance with an amateur dramatic company, but The Byfleet Players' loss was the West End's gain as he now has a number of musicals to his name, including Legally Blonde, Chicago and Spamalot. Most recently he starred in the box office record-breaking Gypsy where he rubbed shoulders backstage with Dames Meryl Streep, Maggie Smith and Judi Dench - all asking him for directions to Imelda Staunton's dressing room. One thing is for sure: of all the British screen and stage actors of the last fifty years, Peter Davison is certainly one of them and, within these pages, intrepid readers will at last have the dubious honour of sharing in his life and times - as he despairs over whether there truly ever can be life outside the box.

While the world has changed after the war, the blunt Yorkshire clients and menagerie of beasts with weird and wonderful ailments remain the same. But between his young son, Jimmy, trailing him around

aping his every move, stubborn farmers refusing to try his "new-fangled" treatments and a goat that has eaten 293 tomatoes, Darrowby is far from quiet. And with another baby on the way, life is about to get even more chaotic... Since they were first published, James Herriot's memoirs have sold millions of copies and entranced generations of animal lovers. Charming, funny and touching, The Lord God Made Them All is a heart-warming story of determination, love and companionship from one of Britain's best-loved authors.

All Creatures Great and Small

James Herriot

Sanditon *ReadHowYouWant.com*

Jane Austen wrote Sanditon (1817) while she was extremely ill, and the novel was left incomplete at her death. A modern and ideal town is set up by some people who have moved out of their ancestral homes to form a community of their own liking. Austen also intertwines the attitudes of hypochondriac patients and studies their weaknesses.

Vets Might Fly *Pan Macmillan*

A few months of married bliss, a lovers' nest in Darrowby and the wonders of home cooking are rudely interrupted for James Herriot by the Second World War. From the author whose books inspired the BBC series All Creatures Great and Small, Vets Might Fly, James Herriot's fifth volume of memoirs relocates him to a training camp somewhere in England. And in between square pounding and digging for victory, he dreams of the people and livestock he left behind him.
