**Around the Year
with Emmet Fox**

**A Book of Daily
Readings** *Harper
Collins*

Nourish Your Soul 365 Days a Year This collection of 365 daily meditations captures the essence of a great spiritual leader—one who has influenced millions with his dynamic message of the power of positive thinking. Each devotion in *Around the Year* with Emmet Fox works to remind us that our thoughts shape our reality, and helps us access the strength to overcome sorrows, frustrations, and challenges in our daily lives. The keen insights captured here speak as freshly to the everyday needs of humanity as they did the day Fox first wrote them.

The Golden Key
Ravenio Books

I have compressed this essay into a few pages. Had it been possible I would have reduced it to as many lines. It is not meant to be an instructional treatise, but a practical recipe for getting out of trouble. Study and research are well in their own time and place, but no amount of either will get you out of a concrete difficulty. Nothing but practical work in your own consciousness will do that. The mistake made by many people, when things go wrong, is to skim through book after book, without getting anywhere. Read the Golden Key several times. Do exactly what it says, and if you are persistent enough you will overcome any difficulty.

Alter Your Life *Harper Collins*

A rousing action program for overcoming adversity and taking charge of life -- by one of our century's greatest mystics. For unhappiness, frustration, loneliness, and other afflictions of the spirit, Dr. Emmet Fox prescribes a powerful remedy based on the life and message of Jesus. In *Alter Your Life*, Fox explains that these "dreary" problems are actually bad habits of mind -- habits from which we can free ourselves. "There is no necessity for anything but success, good health, prosperity, and an abounding interest and joy in life," Fox writes. Through a series of brief meditations, Fox shows us how to

exchange our bad habits of mind for the healthy ones demonstrated by Jesus. Based upon biblical texts, *Alter Your Life* offers a progressive, life-changing course designed for all readers, whether or not they have read a religious book before.

Stake Your Claim

Exploring the Gold Mine Within *Harper Collins*

In this classic text, the master teacher whose works have moved and inspired millions presents inspirational advice and simple self-help that will bring true success and happiness. These seventy-two meditative essays, each accomplished by a brief affirmation and a biblical quotation, are the keys to have a

better and more prosperous life. When one becomes depressed or discouraged, nervous or frightened, when one needs to change one's mental and physical habits of living, Fox's direct and easy techniques help overcome life's difficult stretches and bring on health, happiness, and peace of mind.

Make Your Life Worthwhile *Harper Collins*

Here are brief, pointed, practical instructions in successful living to help achieve real health, happiness, prosperity, greater security, and peace of mind. In clear, concise terms, Emmet Fox outlines the seven mental laws that are the stepping stones to full realization of the

inner, spiritual Power which ties within the reach of anyone who sincerely wants it and who is willing to apply the principles set forth. *Make Your Life Worthwhile* reveals how you can put these principles to immediate use to begin transforming your life. Dr. Fox explains the eleven key words in the Bible and discusses what the Bible has to say about successful living, showing how its wisdom can become a part of your everyday life. This is a lifetime plan for tapping into the great spiritual truths that underlie, everyday existence and applying them to: Reach through to true spiritual Power • Use your own inner resources more fully • Overcome difficulties • Become a dynamic

person • Achieve what you really desire • Pray unselfishly • Get results with positive thinking • Make the most of the present moment • Enhance spiritual growth and material well-being • Build confidence in yourself • Understand your unique role in God's unfolding purpose • and much more.

Find and Use Your Inner Power *Pickle Partners Publishing*

An inspirational classic, this resource is for everyone seeking more happiness and success in life. Fox's treasure of wise and inspirational gems offers enduring spiritual truth and practical advice for daily living.

The Lincoln Highway

A Novel *Penguin*

#1 NEW YORK TIMES BESTSELLER A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "A real joyride . . . elegantly constructed and compulsively readable." - NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish

and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different

plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes.

The Sermon on the Mount

The Key to Success in Life *Harper Collins*

What did Jesus teach? Distilled from years of study and lecture, affirmed by nearly a million readers over the last fifty years, Emmet Fox's answer in *The Sermon on the Mount* is simple. The

Bible is a "textbook of metaphysics" and the teachings of Jesus express--without dogma--a practical approach for the development of the soul and for the shaping of our lives into what we really wish them to be. For Fox, Jesus was "no sentimental dreamer, no mere dealer in empty platitudes, but the unflinching realist that only a great mystic can be." In his most popular work, Emmet Fox shows how to: Understand the true nature of divine wisdom. Tap into the power of prayer. Develop a completely integrated and fully expressed personality. Transform negative attitudes into life-affirming beliefs. Claim our divine right to the full abundance of life.

Ghost Boys *Little, Brown Books for Young Readers*

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has

happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

The Blood of Emmett Till *Simon and Schuster*

Draws on firsthand testimonies and recovered court

transcripts to present a scholarly account of the 1955 lynching of Emmett Till and its role in launching the civil rights movement.

Emmet Otter's Jug-Band Christmas

Doubleday Books for Young Readers

Celebrate Christmas with the inspiration for the beloved Jim Henson film — in print after over 40 years. In 1977, when Jim Henson debuted the now-classic film *Emmet Otter's Jug-Band Christmas*, few knew it was based on a story written and illustrated by Russell and Lillian Hoban, creators of *Bread and Jam for Frances* and other treasured children's books. With an enduring score by the great Paul Williams, the movie remains a

holiday tradition in homes across America. Now the book that started it all is back in print, in a beautiful gift edition that will thrill Muppets fans young and old. Inspired by the classic tale "The Gift of the Magi," the story begins in a poor country cottage, as Emmet Otter dreams of buying Ma a piano for Christmas, while Ma dreams of buying Emmet a guitar. When a village talent contest is announced, both imagine their dreams coming true. But what they don't imagine finding is their real reward — the power of love, family, and hope in hard times. It is a story that reaches into a reader's heart and reminds us all that fortune favors the brave. A Bank Street College of Education

Best Children's Book of the Year "[A] welcome reissue of the Hobans' 1971 story . . . Colorful illustrations of the close-knit animal community contain plenty of warmth."

Cosimo, Inc.

Combining his

logician's eye with his artistic sensibilities, Thomas Troward was able to communicate truths on the most esoteric of subjects, giving them the intellectual and spiritual respect they deserve. This 1921 collection of brief essays from one of the most respected forefathers of New Age thought covers topics from the sacred to the sublime, shedding new light on mysteries that have challenged mankind for centuries. For any explorer of Being and Thought, Troward here provides invaluable insights into positive psychology, the self, God, beauty, and truth. English judge, philosopher, and painter THOMAS TROWARD (1847-1916) lived most of his life in India, in the service of

the imperial monarchy. Among his publications, many of which profoundly affected the New Thought Movement, are *The Law and the Word*, *Bible Mystery and Meaning*, and *The Creative Process in the Individual*.

A Wreath for Emmett Till *Houghton Mifflin Harcourt*

A Coretta Scott King and Printz honor book now in paperback. *A Wreath for Emmett Till* is "A moving elegy," says *The Bulletin*. In 1955 people all over the United States knew that Emmett Louis Till was a fourteen-year-old African American boy lynched for supposedly whistling at a white woman in Mississippi. The brutality of his murder, the open-casket

funeral held by his mother, Mamie Till Mobley, and the acquittal of the men tried for the crime drew wide media attention. In a profound and chilling poem, award-winning poet Marilyn Nelson reminds us of the boy whose fate helped spark the civil rights movement.

Bill W

The absorbing and deeply moving life story of Bill Wilson, co-founder of Alcoholics

Anonymous *Simon and Schuster*

Robert Thomsen's biography describes the story of Bill W., a stirring spiritual odyssey through triumph, failure, and

rebirth, with vital meaning for men and women everywhere. This is the story of a man whose discovery and vision have changed the lives of millions of people throughout the world. Robert Thomsen's biography takes readers through the events of Bill W.'s life, all the while detailing Bill's growing dependence on alcohol. Thomsen writes of the collapse that brought Bill to the verge of death and of the luminous instant of insight that saved him. This turning point led Bill to the encounter in 1935 with Dr. Bob and the start of what was to be a new beginning for countless others who despaired of finding rescue and redemption. Every night at Alcoholics

Anonymous meetings around the world, a speaker says, "Our stories disclose in a general way what we used to be like, what happened, and what we are like now." This describes the story of Bill W., a stirring spiritual odyssey through triumph, failure, and rebirth, with vital meaning for men and women everywhere.

Power Through Constructive

Thinking *Pickle Partners Publishing*

Originally published in 1932 by the renowned New Thought spiritual leader Emmet Fox, this book is intended to teach the principles of life-building through constructive thought. "All power lies in creative thought. Thought is the key to

life; for as a man thinketh in his heart, so is he. People are beginning to understand today something of the power of thought to shape the individual's destiny—they know vaguely that thoughts are things—but how the Great Law of thought is to be applied they do not know. "This book shows that your destiny is really in your own hands, because it is impossible to think one thing and produce another, and that by the selection of correct thought a harmonious and happy life is produced. It shows that weak and fickle thinking produces a drifting and wasted life, and that positive thinking produces success and happiness. It shows that fear is the

ultimate cause of Tap-Root of all sickness, failure, and disappointment. And it shows the only possible method of overcoming fear."

Mississippi Trial, 1955 *Penguin*

One of the Guardian's 100 Best Books of the 21st Century "With language so vibrant it practically has a pulse, Enright makes an exquisitely drawn case for the possibility of

growth, love and transformation at any age." —People From internationally acclaimed author Anne Enright comes a shattering novel set in a small town on Ireland's Atlantic coast. The Green Road is a tale of family and fracture, compassion and selfishness—a book about the gaps in the human heart and how we strive to fill them. Spanning thirty years, The Green Road tells the story of Rosaleen, matriarch of the Madigans, a family on the cusp of either coming together or falling irreparably apart. As they grow up, Rosaleen's four children leave the west of Ireland for lives they could have never imagined in Dublin, New York, and Mali, West Africa. In her

early old age their difficult, wonderful mother announces that she's decided to sell the house and divide the proceeds. Her adult children come back for a last Christmas, with the feeling that their childhoods are being erased, their personal history bought and sold. A profoundly moving work about a family's desperate attempt to recover the relationships they've lost and forge the ones they never had, The Green Road is Enright's most mature, accomplished, and unforgettable novel to date.

Diagrams for Living**The Bible Unveiled***Harper Collins*

A beloved teacher and best-selling author offers diagrams for living to show "how you can come out of limitation and find real happiness." Fox has inspired millions of people over the past forty years through his simple, practical guidelines. In *Diagrams for Living* he presents

valuable keys to living a more fulfilled life drawn from the eloquent spiritual wisdom of the Bible. If we read the Bible literally, cautions Fox, we miss the eternal power and personal relevance found in its symbols, allegories, and parables. "Whether you realize it or not," he writes, "you are on every page from Genesis to Revelation." Fox shows how to read dramatic biblical stories as symbolic diagrams for living that can "show you how to overcome difficulties and problems, and how to give expression to the deep aspirations that lie hidden in your soul." This power to reveal, inspire, and guide makes the Bible's teachings adaptable to everyone at every stage of

spiritual development. Sensible, contemporary, and full of reassurance, *Diagrams for Living* offers sage counsel from a gifted teacher.

The Recovery Bible

Discover the Classic Books That Inspired the Founders of the Modern Recovery Movement *Penguin*

The founders of the modern recovery movement, including Bill Wilson, Bob Smith, and other early AAs, were deeply influenced by a handful of inspirational authors, from whom they received practical guidance, key insights, and concrete ideas. Their explorations of inspirational literature and useable spiritual methods gave rise to the program of spiritual

self-help now practiced around the world as the twelve-step tradition. Now, some of the core books that both inspired and were produced by the early twelve-steppers and recovery pioneers - including the first edition of the 1939 landmark *Alcoholic Anonymous* - are collected in this powerful resource, *The Recovery Bible*. Here are early writings by the visionaries of recovery. Their work retains all of its impact and life-changing power - now at the ready for study, immediate guidance, and a lifetime of re-exploration in this one volume. *The Recovery Bible* includes: - *Alcoholics Anonymous*, the original 1939 landmark - *The Greatest Thing in the*

World by Henry Drummond -In Tune with the Infinite by Ralph Waldo Trine -The Mental Equivalent by Emmet Fox - As a Man Thinketh by James Allen -The 23rd and 91st Psalms -Religion that Works by the Rev. Sam Shoemaker -The Varieties of Religious Experience by William James

The Mango Opera *Minotaur Books*

Although he prefers magazine work, freelance photographer Alex Rutledge won't turn down an occasional crime scene shoot for the City of Key West Police Department. But when a string of murders takes his viewfinder into strangely familiar territory, Alex's mellow island lifestyle shatters. One after

another, someone is killing women who have intimately crossed Alex Rutledge's path. Maybe it's a coincidence. Maybe it's a conspiracy. Or maybe he's crazy. But the connection marks Alex as the prime suspect in a case so hot it's drawn in the county sheriff, the FBI, and the Bureau of Alcohol, Tobacco, and Firearms. In a desperate race to save his name and his life, Alex dives into a one-man search for the dark, sweltering truth beneath a case that's pounding toward meltdown, in *The Mango Opera* by Tom Corcoran.

Against Our Will

Men, Women and Rape *Open Road Media*

Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today. Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable "spoil of war," used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications. It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to "blame the victim," and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States. *Against Our Will* is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages. Selected by the New York Times Book Review as an Outstanding Book of

the Year and included among the New York Public Library's Books of the Century, *Against Our Will* remains an essential work of sociological and historical importance.

Alter Your Life *HarperOne*

A rousing action program for overcoming adversity and taking charge of life -- by one of our century's greatest mystics. For unhappiness, frustration, loneliness, and other afflictions of the spirit, Dr. Emmet Fox prescribes a powerful remedy based on the life and message of Jesus. In *Alter Your Life*, Fox explains that these "dreary" problems are actually bad habits of mind -- habits from which we can free ourselves. "There is no necessity for anything but success, good health, prosperity, and an abounding interest and joy in life," Fox

writes Through a series of brief meditations, Fox shows us how to exchange our bad habits of mind for the healthy ones demonstrated by Jesus. Based upon biblical texts, *Alter Your Life* offers a progressive, life-changing course designed for all readers, whether or not they have read a religious book before.

The Nevada Test Site *Princeton University Press*

"Emmet Gowin likes to ask a provocative question: "Which country on earth has had the largest number of nuclear bombs detonated within its borders?" The answer is the United States. Covering approximately 680 square miles, the Nevada National

Security Site, formerly known as the Nevada Test Site, was the primary testing location of American nuclear devices from 1951 to 1992; 1,021 announced nuclear tests occurred there, 921 of which were underground. The site, which is closed to the public, including its airspace, contains 28 areas, 1,100 buildings, 400 miles of paved roads, 300 miles of unpaved roads, 10 heliports, and two airstrips. Its surface is covered with subsidence craters from testing, and in places looks like the moon. In 1996, Gowin received permission to document the landscape by air, after over a decade of working to secure access. These aerial views of environmental

devastation--made quietly majestic but no less potent in the hands of a master photographer--unveil environmental travesties on a grand scale. While groups of images from the Nevada Test Site series have been published previously, this book will produce the largest number yet, and three quarters of the pictures will not have been published at all. Gowin is the only photographer to have been granted access to this site, which is now permanently closed, post-9/11. Other than images made by the government for geographic purposes, no other images of this landscape exist. The book will feature a preface by photographer Robert Adams (America, b.

1937), whose photographic and written work is concerned with landscape, urbanization, and activism. It will also feature an afterword by Gowin on how he made the images, and their significance to him today."--Provided by publisher.

The Golden Key to Prayer DMC

Prayer will enable you to get yourself, or anyone else, out of any difficulty on the face of the earth. It is the Golden Key to harmony and happiness. To those who have no acquaintance with the mightiest power in existence, this may appear to be a rash claim, but it needs only a fair trial to prove that, without a shadow of doubt, it is a just

one. You need take no one's word for it, and you should not. Simply try it for yourself, and see.

The One Hundred Circle Farm *Princeton University Press*

A powerful photographic survey of the impact of irrigation systems on the landscape of the United States. In *The One Hundred Circle Farm*, renowned photographer Emmet Gowin (b. 1941) presents stunning aerial images of center-pivot irrigation systems in the western and midwestern United States. This type of farming involves a method of watering crops in which equipment rotates around a centrally drilled well, creating enormous, distinct

circles of irrigated land, often in the midst of dry terrain. Anyone who has taken a cross-country flight has likely seen countless acres of these iconic symbols of industrial agriculture. Through a faithful and at once personal photographic survey, Gowin's powerful images not only bear witness to the ambitions humans wield in shaping the landscape, but also attest to how such primal elements--circles, pivots, and lines--symbolize water depletion and the fragile environment. The stark black-and-white and color compositions, one hundred in all, were created over the course of a decade. Fields resemble lost civilizations; crops gape like strange new

suns. Hauntingly beautiful, the photographs highlight Earth's nourishing geology and the sweat of human labor. At the same time, they are reminders of the technology extracting unimaginable amounts of water that cannot be replaced, and raise questions about what large-scale irrigation must answer for when the water runs out. With an afterword by anthropologist Lucas Bessire discussing the history and impact of pivot irrigation on American farming, *The One Hundred Circle Farm* stands as a poetic visual record,

evidence of the tenuous connections between human enterprise and our planet's most precious resource.
