Develop an export marketing plan. Guide. It's essential to build a detailed export marketing plan, based on market research, for each of your overseas markets. Huge differences between markets and countries prevent the use of a 'one size fits all' approach. Your export marketing plan should take into account your chosen approach to the market and your plans for logistics, order fulfilment, customer service and supplier management.

Develop an export marketing plan | nibusinessinfo.co.uk

The first and most obvious step in building an export marketing plan is selection of a country. While this is the “simplest” step, it is also the most crucial. Start by focusing on continents. Although every country is different, many cultural differences and buying behaviors can be attributed to continents as a whole.
