**Review: Perception
by Kim Harrington**

Clarity and Perception are great YA paranormal romances. Anyone into this type of book will enjoy this one. It features a strong girl with supernatural powers, a mystery to solve, and a great love triangle. I absolutely adored Clarity, and this book reminded me how much I love this world.

When you can see things others can't,

what do you do when someone's watching you? Everybody knows about Clarity "Clare" Fern. She's the psychic girl in school, the one who can place her hands on something and see hidden visions from the past. Only Clare would rather not be a celebrity. She prefers hanging back, observing. Her gift is not a game to her. But then someone starts playing ...

**Perception (Clarity

Harrington Book
Reviews**

Clarity, the debut novel by (the confusingly named) Kim Harrington, is a solid young adult mystery with a paranormal twist. Clarity, called Clare, comes from a family of psychics. She

possesses the power of psychometry, while her mother is a telepath and her brother can speak to the spirits of the dead.

**Clarity (Clarity, #1)
by Kim Harrington**

Perception was a great sequel to Clarity and even though there is still a strong mystery element, I thought the vibe was different.

Clarity had more action with Clare actively investigating the murders and the bodies piling up, whereas Perception was more on an intellectual level.
