Americans Against The City Anti
 Americans have a paradoxical relationship with cities, Steven Conn argues in his new book, *Americans Against the City: Anti-Urbanism in the Twentieth Century* (Oxford University Press, 2014). Nearly three-quarters of

the population lives near an urban center, the result of a centuries-old, global trend that reflects not just industrialization but the role cities have played as engines of economic, social, cultural, intellectual, and political life.

Anti-Americanism (also called anti-American sentiment and Americanophobia) is a sentiment which espouses dislike of the American

government or opposes its policies, especially its foreign policy, or espouses dislike or hatred of the American people and the United States in general.

Anti-Americanism - Wikipedia

As early as the summer of 1965, music-based protest against the American involvement in Southeast Asia began with works like P. F. Sloan's folk rock song Eve of Destruction, recorded by Barry McGuire as one of the earliest musical protests against the Vietnam War. A key figure on the rock end of the antiwar spectrum was Jimi Hendrix (1942-1970). Hendrix had a huge following among the youth culture exploring itself through drugs and experiencing itself through rock music.
