The more Simon started to understand the difference between finite and infinite games, the more he began to see infinite

games all around us. He started to see that many of the struggles that organizations face exist simply because their leaders were playing with a finite mindset in a game that has no end.

Simon Sinek

But leadership is in constant change, as successful leadership is a reflection of the world around it. Therefore, the leadership principles for the next-generation leaders might not be the same as the principles of today's leaders. In this guide, we'll outline the ten core principles the future leader should focus on. Principle 1.
