orange co musical instruments "peavey amp" - craigslist

2 user reviews on Peavey Stereo Chorus 212. I got this amp used for \$300 as an upgrade from a small practice amp. I had a choice between this and a Fender Princeton Chorus. I picked this amp over the Fender Chorus because it has a much better bottom end. The dual 12 drivers handel extreamly dropped tunings quite well.

User reviews: Peavey Stereo Chorus 212 - Audiofanzine

I just scored a great deal on a used amp! It's a Peavey Stereo Chorus 212. I have been looking for a larger SS amp for steel guitar, because all my other guitar amps break up too soon. (Not enough clean headroom) When I need to play at higher volumes in a band situation. The Peavey has two scorpion 12" speakers and 130 Watts per channel!
