Race and the Making of the Mormon People. The nineteenth-century history of the Church of Jesus Christ of Latter-day Saints, Max Perry Mueller argues, illuminates the role that religion played in forming the notion of three "original" American races—red, black, and white—for Mormons and others in the early American Republic. Recovering the voices of a handful of black and Native American Mormons who resolutely wrote themselves into the Mormon archive, Mueller threads together ...

Mormons - HISTORY

I also appreciated the book's larger perspective that Mormonism's changing racial views affected its overall sense of identity -- this is the "making of the Mormon people" part of the subtitle. After a more racially inclusive beginning to the religion, Mormon leaders charted a course in the late nineteenth and early twentieth centuries to emphasize its "whiteness" and ties to Western civilization.
