Culture and diversity in 20th century Britain - Migration ...

From the late 1930s onwards, calypso provided the foundation stone of what would blossom into our unique black British culture. The sound systems of the 1950s onwards enjoy a rightly prominent status for creating the conditions under which that culture could flourish, but as regards the actual black British musical expression, Ground Zero is calypso from a couple of decades earlier.

Black British was also a term for those Black and mixed-race people in Sierra Leone (known as the Krio) who were descendants of migrants from England and Canada and identified as British. They are generally the descendants of black people who lived in England in the 18th century and freed Black American slaves who fought for the Crown in the American Revolutionary War (see also Black Loyalists).
