Soul music is a genre of African American popular music that led to many later genres, from funk and dance music to hip hop and contemporary R&B. It developed in the USA in the late 1950s from African American church music called "gospel music". After slavery ended in 1865, African Americans weren't welcome in the

churches of white Americans, so they built their own churches and sang Christian songs with African-American vocal styles and rhythms.
