Construction law - Designing Buildings Wiki - Share your construction industry knowledge. Although regarded as a sub-branch of general law,

construction law has become a specialised discipline in its own right. Most people requiring legal advice in construction would probably seek the services of a construction lawyer rather than a general, 'all-purpose' lawyer.

Construction law - Designing Buildings Wiki

Construction law is the combination of all of the areas of law that apply to construction work. The process of building is complex. Builders have to follow a large number of rules and regulations. There are many things that they need to know and do before they ever pour the first bit of cement or clear the first tree. People in the construction ...
