Ethical Issues In Community Based

These are ethical questions about: •

Doing good and harm •
How people are treated •
Who benefits from research. In research that is community-based and participatory there may be particular issues about sharing power and resources and mutual respect. The Tackling ethical issues project •
Coordinated by Durham University's Centre for Social Justice and Community Action

Tackling ethical issues and dilemmas in community-based

...
Ethical issues arise at each stage of community-based research and intervention. We divide community-based research and intervention into six stages: (1) selecting

the setting in which to address the research problem, (2) designing the research or intervention to fit the setting, (3) recruiting subjects, (4) collecting data, (5) data handling, analysis, storage and ownership, and (6) disseminating findings.

research approaches claiming to be participatory and community-based, showing significant variation in degrees of participation and community control. Ethical challenges in CBPR include matters relating to:

partnership, collaboration and power; community rights, conflict and representation; ownership and dissemination of data,

Community-based Participatory Research: Ethical Challenges

The Centre for Social Justice and Community Action has a particular interest in the ethical issues that arise in research that is community-based and participatory. Ethics relates to doing good and harm; how people are treated; and who benefits from research. In CBPR there may be particular questions about how to share power and resources, and create mutual respect, for example:

5 Community Involvement | Ethical Considerations for ...

"Ethics in Community-Based Research" is a collection of essays that describe the uniqueness of community-based research, outlining several of the ethical concerns that it engenders. The contributors examine such issues as the scope of informed consent to multiple stakeholders, determining competence to give consent in marginalized populations, and managing dual roles as participant researchers.

Ethical Issues in

Community-based Research with Children ...

This article explores a range of ethical issues that arise in community-based participatory research (CBPR), drawing on literature and examples from practice. The experience of CBPR practitioners adds further weight to the growing critique by many other social researchers of regulatory approaches to research ethics (which focus on rule following in accordance with research governance frameworks, codes of conduct and ethics review procedures).
