Answer Key Section 13 Notetaking Study Guide

The researchers found an interaction, which means that the effect of note-taking medium depended on whether students had an opportunity to review their notes before the assessment. When the students had the opportunity to review their notes, they generally performed better on the assessment if they took notes by hand than by a laptop.

How Should Students Take Notes? — The Learning Scientists

Active note-taking means: Think about what you want to get from your reading and why you are making notes – how much detail do you need to read, and how much detail will you need in your notes? Look for answers to the questions you need to address: are you looking for definitions, examples, or debates/theories? Look for connections between what the current text says and anything you have already read: do the authors agree?

Notetaking from reading - The University of Nottingham

The Outlining note taking method uses headings and bullet points to organize topics. This method is most useful when learning about topics that include a lot of detail. Advantages: Allows notes to be neatly organized. It is easy to see the relationship between topics and subtopics. It is easy to turn points into study questions. What Does it look like?

Note Taking Study Guide Chapter 29 Answers - Booklection.com

Note-taking is the practice of writing down or otherwise recording key points of information. It's an important part of the research process. Notes taken on class lectures or discussions may serve as study aids, while notes taken during an interview may provide material for an essay, article, or book. "Taking notes doesn't simply mean scribbling down or marking up the things that strike your fancy," say Walter Pauk and Ross J.Q. Owens in their book, "How to Study in College."

The Definition and Most Popular Methods of Note Taking

Now distribute note-taking samples and group students into partners. Have each group look over the notes, determine if they are too brief or too lengthy, and fix them. Share and discuss answers.
