The katana is now synonymous with samurai swords, and with good reason, it was the primary weapon favoured by the Samurai for hundreds of years and could only legally be worn by samurai. Any lesser caste found with a sword would face instant execution. Samurai swords would often be worn in a pairing called a daisho, which roughly translates as little big. The samurai sword is the big sword while a wakizashi or a tanto would be the smaller sidekick. It was extremely rare for samurai to wield ...
