Australian Criminal Law In The

The criminal law of Australia is the body of law made, recognised and applied in Australia that relates to crime. Most criminal law is made and administered by the individual states and territories of Australia. However, there is a body of criminal law, including the Criminal Code, made and administered by the federal government. Criminal law may be differentiated from civil law, which in Australia relates to non-criminal law including civil wrongs, contract law, much of property law and other a

Criminal law of Australia - Wikipedia

The law allows people convicted of minor offences to have the conviction erased from their disclosable criminal record, so it won't affect their chances to further their education or to get a job. This is called the Spent Convictions scheme, which applies in all Australian states and territories.
