Ecology Cognition And Landscape Linking

While the importance of incorporating human factors into understanding ecological process is widely recognized, to date there have been few solutions offered as to how this can be done. In his new book, Ecology, Cognition and Landscape, Almo Farina makes an innovative move to do just that. And by reinterpreting both the ecological and social strands of landscape ecology, within a common framework based on cognition, he offers a way to make the necessary connections between the social and ...

Ecology, Cognition and Landscape: Linking Natural and ...

Recently, evolutionary ecology has shown great interest in the spatial processes well described by the emerging discipline of landscape ecology. But this interest takes the form of pure curiosity or at worst, of skepticism toward the real capacity of landscape ecology to contribute to the advancement of ecological science.
