The New Friars Emerging Movement

“New friars” are those that have chosen to move into places of extreme poverty with the hope of making a difference and greater communion with God. I enjoyed how the book introduces readers to a whole movement within Christianity by telling the stories of its contemporaries (Nazarite Today’s “new friars” and prayer movements echo of those throughout Christian history.

The New Friars: The Emerging Movement Serving the World's ...

From this historical reality, Bessenecker discusses the essential ingredients of the new friars who incarnationally move into the urban dumps of the world to embrace the poor, form devotional communities for drawing near to Christ, give up Western individuality to live communally with the poor, missionally invite the poor into the Kingdom of God, live at the margins of society and share in the rejection and dangers faced by the poor.
