Grade 5 Creative Writing Prompt "Dialogue" with sample answers

5th grade writers are building off of the foundation of what they have learned to this point. This is where students begin to gain a bit of writing endurance. They expand from writing simple paragraphs to working on full essays and reacting to prompts that require higher levels of thought. As we see with each progressive grade level the work becomes more complex and the writing process becomes more multifaceted as students now not only need to write their work, they learn to plan it.
