Encyclopedia Of New Age Beliefs

The New Age movement was a revivalist movement that swept through metaphysical New Thought churches and Spiritualist and occult organizations in the 1970s and 1980s. As a result, many people accepted either a metaphysical or Spiritualist perspective and both communities grew significantly. The New Age idea of

replacing the present society with a coming of the golden age of peace and love for the next generation transformed both communities.

Encyclopedia Of New Age Beliefs - ME

New Age is applied to a range of spiritual or religious beliefs and practices which rapidly grew in the Western world during the 1970s. Precise scholarly definitions of the New Age differ in their emphasis, largely as a result of its highly eclectic structure. Although analytically often considered to be religious, those involved in it typically prefer the designation of spiritual or Mind ...
