It was taken by the Grand Lodge of Ireland as the model for their Book of Constitutions in 1730. It was reprinted verbatim for use in America by Franklin in 1734. It was pirated in London and later in Dublin by Smith in 1735.

Anderson's Constitutions of 1723

Book description. Many constitutions include provisions intended to limit the discretion of governments in economic policy. In times of financial crises, such provisions often come under pressure as a result of calls for exceptional responses to crisis situations. This volume assesses the ability of constitutional orders all over the world to cope with financial crises, and the demands for emergency powers that typically accompany them.

The 1723 edition of the Constitutions was edited and reprinted by Benjamin Franklin in Philadelphia in 1734, becoming the first Masonic book printed in America. A new edition of the Constitutions was published in 1754, by John Entick. He reverted to the Charges as drawn up in 1723 into which, especially in the first Charge, Anderson had introduced various modifications in the 1738 edition.
