Master Practitioner Manual

An NLP manual with exercises that make you work from an acknowledged expert in the field who appears in type and approach more towards the intuitive processor of information rather than say a poetic feeler of wisdom highlighted by his particular attention to systems: "stop thinking about nebulous, metaphorical parts, beliefs and values - see all behaviour as interaction of rules and programs so it is easy to change!"

Peter Freeth has probably more experience of applying NLP in a professional and business context than any other trainer working in the field, and over the past 20 years has created many ...

The NLP Master Practitioner Manual

Master Practitioner Certification ... The manual you are now reading has been specially designed for readability. The typeface used in most of the body copy is called Century Schoolbook. It's probably the same typeface that was in the book when you learned to read, so it's one of the most readable. We did it in 14-point type, so it should be very readable. So, here we go. It'll be an intense 2 ...

The Accelerated Neuro- Linguistic Programming Master ...
