Summary of Many Lives, Many Masters

The True Story of a Prominent Psychiatrist, His Young Patient, and the Past-Life Therapy That Changed Both Their Lives by Brian L. Weiss

Many Lives, Many Masters: The True Story of a Psychiatrist, His Young Patient, and Past-Life Therapy by Brian L. Weiss Book Summary Abbey Beathan (Disclaimer: This is NOT the original book.) The story about how a skeptical doctor discovered evidence on past lives and developed a method using them to cure his patients. There are many stories about how a skeptic turns into a believer but this one stands out. A skeptical doctor was astonished when he discovered one of his patients recalling past-life traumas. Those wounds from the past seem to be responsible of his recurring nightmares and anxiety attacks. Doctor Weiss manages to channel his new knowledge and develop a method called "past life regression" which recovers memories of incarnations in order to address them and cure the patient of his traumas. (Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way) "For truly we are all angels temporarily hiding as humans." - Brian L. Weiss After discovering about past lives, Brian L. Weiss entered a new phase in his career; one that would use memories from the past lives of patients in order to heal them. His method of hypnosis worked so he started heading in a new path in order to help each one of his patients. His work in parapsychology is outstanding and his method of past life regressions is brilliant. Definitely a book worth reading. Through Time Into Healing

Discovering the Power of Regression Therapy to Erase Trauma and Transform Mind, Body, and Relationships

Simon and Schuster

The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy, from the New York Times bestselling author of *Many Lives, Many Masters*. Brian Weiss made headlines with his groundbreaking research on past life therapy in *Many Lives, Many Masters*. Now, based on his extensive clinical experience, he builds on time-tested techniques of psychotherapy, revealing

how regression to past lifetimes provides the necessary breakthrough to healing mind, body, and soul. Using vivid past life case studies, Dr. Weiss shows how regression therapy can heal grief, create more loving relationships, uncover hidden talents, and ultimately shows how near death and out of body experiences help confirm the existence of past lives. Dr. Weiss includes his own professional hypnosis, dream recall, meditation, and journaling techniques for safe past life recall at home. Compelling and provocative, *Through Time Into Healing* shows us how to help ourselves lead healthy, productive lives, secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us.

Only Love is Real

A Story of Soulmates Reunited *Grand Central Publishing*

A "beautiful and sensitive" tale of true love that transcends time, from the multi-million bestselling author of *Many Lives, Many Masters* (Gary Zukav, author of *Seat of the Soul*). Recommended by Kendall Jenner. In *Many Lives, Many Masters*, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a

single, powerful truth...

Miracles Happen

The Transformational Healing Power of Past-Life Memories *Harper Collins*

In his revolutionary book *Miracles Happen*, Brian Weiss M.D., the New York Times bestselling author of *Many Lives, Many Masters*, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

Mirrors of Time

Using Regression for Physical, Emotional, and Spiritual Healing *Hay House, Inc*

The benefits of regression therapy extend far beyond the clearing of symptoms. Often, the result is healing at all levels—physical, emotional, and spiritual. *Mirrors of Time*, by Brian Weiss, M.D., allows you to take regression therapy to the next level. Now you can go back through time by recalling past events that may have led to difficulties in the present. Through the process of

remembering, symptoms diminish, and a strong sense of relaxation and well-being often emerges. Even past-life memories can be elicited by these exercises, and regular practice will enhance your physical and emotional health and open up spiritual vistas that can bring new meaning to your life. An audio download is included that goes beyond meditation and visualization exercises—it contains the actual regression techniques Dr. Weiss uses with his patients. By reading *Mirrors of Time* and practicing the exercises on the accompanying audio, you'll find that you'll be filled with more peace, joy, and love—and virtually all aspects of your everyday life will benefit!

Extended Summary Of Many Lives, Many Masters - By Brian Weiss *Sapiens Editorial*

DESCRIPTION OF THE ORIGINAL BOOK In this book, Brian Weiss relates about an experience that completely changed his life. The work includes the treatment of Catherine, one of his patients, with whom he developed hypnosis therapy after having failed for almost a year with conventional methods. In a state of deep trance, the young woman remembered her previous lives and freed herself little by little from the traumas that were the key to her disorders. Catherine was completely cured. But the greatest success of this therapy was what the therapist learned, and his discoveries and verified truths that changed his way of seeing human life. This work constitutes a meeting point between science and metaphysics in which the subjects of reincarnation and life after death merge. Focused on an extremely interesting subject, the author achieves with a simple and clear style, reflection and the opening of thought. **ABOUT BRIAN WEISS: THE**

AUTHOR OF THE ORIGINAL BOOK Brian Leslie Weiss was born in New York in 1944. He graduated as a psychiatrist at the Universities of Columbia and Yale. He worked as a professor at the University of Miami and was Head of the psychiatry area at Mount Sinai Hospital in Miami Beach. He devoted a large part of his life to research. He collected data based on his experiences as a psychiatrist. He made several works related to love, the belief in reincarnation and he based himself on the narrations of his patients subjected to regressive therapy to past lives, for what he used hypnosis. In addition to the work that concerns us, *Many lives, Many teachers*, Brian has had other great successes, among which deserve to be mentioned like, *Lazos de amor*, *Same soul, Many bodies*, *Miracles happen*.

Many Lives, Many Masters

The True Story of a Prominent Psychiatrist, His Young Createspace Independent Publishing Platform

As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the "space between lives," which contained remarkable revelations about Dr. Weiss' family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career.

Astrology and Your Past Lives *Cosimo, Inc.*

Understanding your previous incarnations can turn into a fascinating journey of self-discovery and healing. You can gain insight into destructive habits that may have begun in a past life - - and then create a more positive and creative new life. In "Astrology and Your Past Lives" astrologer and regression therapist Jeanne Avery provides a simple yet profound way to understand one's blocks and blessings. By focusing on the meaning of one planet -- Saturn, the planet of limitations -- Avery shows how we "pick our own type of gravity" that connects this life to our previous incarnations.

News at Work

Imitation in an Age of Information Abundance *University of Chicago Press*

Peeking inside the newsrooms where journalists create stories and the work settings where the public reads them, the author reveals why journalists contribute to the growing similarity of news and why consumers acquiesce to a media system they find increasingly dissatisfying.

Regression to Times and Places Hay House, Inc

Regression to Times and Places is the first CD in Brian's new meditation series. This series helps you to discover and learn meditation and regression techniques. This CD uses several visualizations to access the mind-body connection for healing; for releasing negative thoughts, feelings, and emotions; and for replacing them with positive energy, peace, wisdom, love, and joy. Dr. Brian L. Weiss uses a technique of recounting different historical time periods and suggesting the visualization of geographical places to trigger past-life memories. The regressions provide different techniques for retrieval of memories from this lifetime and prior lifetimes, as well as methods to access spiritual states and inner wisdom.

Same Soul, Many Bodies

Discover the Healing Power of Future Lives through Progression Therapy Simon and Schuster

The bestselling author of *Many Lives, Many Masters* breaks new

ground to reveal how progression therapy into future lives can help transform us in the present. How often have you wished you could peer into the future? In *Same Soul, Many Bodies*, Brian L. Weiss, MD, shows us how. Through envisioning our lives to come, we can influence their outcome and use this process to bring more joy and healing to our present lives. Dr. Weiss pioneered regression therapy—guiding people through their past lives. Here, he goes beyond that to demonstrate the therapeutic benefits of progression therapy—guiding people through the future in a scientific, responsible, and healing way. Through dozens of case histories detailing both past-life and future-life experiences, Dr. Weiss shows how the choices that we make now will determine our future quality of life. From Samantha, who overcame academic failure once she learned of her future as a great physician, to Evelyn, whose fears and prejudices ended after she envisioned prior and forthcoming lives as a hate victim, Dr. Weiss gives concrete examples of lives transformed by regression and progression therapy. A groundbreaking work, *Same Soul, Many Bodies* is sure to deeply affect peoples' lives as they strive toward their future

Memories of the Afterlife

Life Between Lives Stories of Personal Transformation

Llewellyn Worldwide

Dr. Michael Newton, best-selling author of *Journey of Souls* and *Destiny of Souls*, returns with a series of case studies that highlight the profound impact of spiritual regression on people's everyday lives. Edited by Dr. Newton, these fascinating true accounts from around the world are handpicked and presented by Life Between Lives hypnotherapists certified by the Newton Institute. After recalling memories of their afterlife, the people in these studies embarked on life-changing spiritual journeys—reuniting with soul mates and spirit guides, and discovering the ramifications of life and body choices, love relationships, and dreams by communing with their immortal souls. As gems of self-knowledge are revealed, dramatic epiphanies result, enabling these ordinary people to understand adversity in their lives, find emotional healing, realize their true purpose, and forever enrich their lives with new meaning.

Eliminating Stress, Finding Inner Peace *Hay House, Inc*

Eliminating Stress, Finding Inner Peace is an important step on the healing journey. Stress kills—there's no doubt. It eats away at you, affecting your level of happiness, as well as your stomach lining. It raises your blood pressure and directly harms your

cardiovascular system. It depresses your immune system and allows chronic illnesses to overwhelm you—causing pain, disability, and even death. Basically, stress prevents you from experiencing life's many pleasures. Stress is a mental state that can cause severe negative emotional and physical consequences. It can be entirely eliminated, or at least greatly lessened, by adjusting our understanding and attitudes, and by learning simple, yet very effective, relaxation techniques. This book, with its accompanying stress-reduction audio download, will help you deeply relax. It will enable you to release the acute and chronic tension you constantly carry in your body and mind. It can also help you remove the blocks and obstacles to your inner peace and contentment, and prevent stress-related illness and disease. To heal yourself in this manner is an act of self-love, because you're taking the time and expending the energy to work on yourself physically and emotionally, thereby bringing more joy into your life. You'll find that regular practice with the audio will produce profound, long-lasting results.

Seth Speaks (A Seth Book)

The Eternal Validity of the Soul *Amber-Allen Publishing*

One of the most powerful of the Seth Books, this essential guide to conscious living clearly and powerfully articulates the furthest reaches of human potential, and the concept that we all create our own reality according to our individual beliefs. Having withstood the test of time, it is still considered one of the most dynamic and brilliant maps of inner reality available today. "The Seth books present an alternate map of reality with a new diagram of the psyche . . . useful to all explorers of consciousness." — Deepak Chopra "Seth was one of my first metaphysical teachers. He remains a constant source of knowledge and inspiration in my life." — Marianne Williamson "I would like to see the Seth books as required reading for anyone on their spiritual pathway. The amazing in-depth information in the Seth books is as relevant today as it was in the early '70s when Jane Roberts first channeled this material." — Louise Hay

Signs

The Secret Language of the Universe *Spiegel & Grau*

"Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller *The Light Between Us*. She possesses an incredible gift—the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding "the

secret language of the universe" is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, we will see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In *Signs*, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced these uncanny revelations and instances of unexplained synchronicity, as well as those drawn from her own experience. There's the producer whose lost child appears to her as a deer that approaches her unhesitatingly at a highway rest stop; the name tag of an ER nurse that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact time of her own father's passing; and many others. This is a book that is both inspiring and practical, deeply comforting and wonderfully motivational in asking us to see beyond ourselves to a more magnificent universal design"--

Memories of Heaven

Children's Astounding Recollections of the Time Before They Came to Earth *Hay House*

Nineteenth-century British poet William Wordsworth expressed the idea that we gradually lose our intimate knowledge of heaven as we grow up, observing that "our birth is but a sleep and a forgetting" of our previous heavenly existence. Dr. Wayne W. Dyer and co-author Dee Garnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine, our infants and

toddlers. In fact, Dee had an interaction with her own young son that convinced her of this. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the world to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born. It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families. They tell of dialogues with God, give evidence that they themselves had a hand in picking their own parents, speak about long-deceased family members they knew while in the dimension of Spirit, verify past-life recollections, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm--and even of times when telepathic communication took place, as well as the ability to decide just when they would come here to Earth. This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals . . . and to realize that there is far more to this earthly experience than what we perceive with our five senses.

Legendary business coach and entrepreneur Dean Graziosi takes you from where you are in life to where you want to be, using simple tools to reshape daily routines and open new doors to prosperity--whether you're a fellow entrepreneur, an employee or executive, or a new grad in your first job. *Millionaire Success Habits* is a book designed with one purpose in mind: to take you from where you are in life to where you want to be in life by incorporating easy-to-implement "Success Habits" into your daily routine. Legendary business coach Dean Graziosi has

broken down the walls of complexity around success and created simple success recipes that you can quickly put to use in your life to reach the level of wealth and abundance you desire. This book is not about adding more time to your day. It is about replacing those things that are not serving your future with success habits designed specifically to assist you on your journey to a better you. In these pages, you'll:

- Drill down deep to identify your "why"--the true purpose that drives you and the real reason you want to prosper
- Expose and overcome the "villain within" that's holding you back
- Unlock the single biggest secret to being productive (it's probably not what you think)
- Believe in your own massive potential--so you can make it a reality
- Use Dean's 30-day Better Life Challenge to catapult you into your new life

Now updated with brand-new chapters on productivity and mastering the art of achievement, *Millionaire Success Habits* gives you the tools you need to radically reshape your daily routine and open new doors to prosperity.

Many Lives, Many Masters

The True Story of a Prominent Psychiatrist, His Young Patient, and the Past-Life Therapy That Changed Both Their Lives *Piatkus Books*

A few years ago, psychiatrist Brian Weiss was approached for treatment by Catherine, a 27-year-old suffering from anxiety, depression, panic attacks and phobias.

Take Courage

Anne Bronte and the Art of Life *Random House*

Anne Bronte is the forgotten Bronte sister, overshadowed by her older siblings -- virtuous, successful Charlotte, free-spirited Emily and dissolute Branwell. Tragic, virginal, sweet, stoic, selfless, Anne. The less talented Bronte, the other Bronte. Or that's what Samantha Ellis, a life-long Emily and Wuthering Heights devotee, had always thought. Until, that is, she started questioning that devotion and, in looking more closely at Emily and Charlotte, found herself confronted by Anne instead. Take Courage is Samantha's personal, poignant and surprising journey into the life and work of a woman sidelined by history. A brave, strongly feminist writer well ahead of her time -- and her more celebrated siblings -- and who has much to teach us today about how to find our way in the world. Praise for How to be a Heroine 'Any woman with a remotely bookish childhood will find great pleasure in How to be a Heroine' Sunday Times 'Genius.... A fantastically inspirational memoir that makes you want to reread far too many books' Observer 'Not so much self-help as shelf-help... A truly brilliant read' Marie Claire 'Delightfully honest and warmly funny' Daily Mail 'The best kind of book: one that I gobbled up, wanting to go slow to savour it but unable to stop reading until it was all gone' Observer
