My husband and I will be staying in Paris for 10 days which I feel will be a bit long for my husband in a " big city".. I am looking for different and exciting places we could visit for day visits (or maybe an overnight) other than the usual Versailles or Monet Gardens - I know we must include these in day visits. We will not have a car so will be relying on trains etc

The Knoedler Gallery Archive illuminates the business relationships and records of one of America's oldest and most preeminent art galleries. Founded in 1848 as the New York branch of the French firm Goupil & Cie before the creation of most museums in this country, the Knoedler Gallery was able to play a central role as a conduit for the masterworks that established American collections.
