Three Wishes Liane Moriarty

Three Wishes is a standalone novel written by the amazing Liane Moriarty. Based on publication dates, this title

appears to be her first novel (at least her first book listed on goodreads). As good as Three Wishes is, I can honestly say she has gotten better and better with each novel.

Three Wishes by Liane Moriarty - Goodreads

Three Wishes is a wonderful family drama of which I got totally wrapped into. Whilst everything isn't plain sailing for this family and they have their share of disagreements, I think it reminds us that no matter what, we only get one family and whilst they may not be perfect, they are there to be treasured. A delightful and entertaining read.
