Life, Death & Meaning: Key Philosophical Readings on the ...

The course explores different attitudes towards death, dying and the meaning of life in contemporary cultural, religious and philosophical traditions. Cultural specific interpretations of death and dying are significant because they are intrinsically connected with prevalent conceptions of the self, the person, the body, and with definitions of life, and visions of the good life, which are transmitted through ritual and (oral) literature.

Metapsychology Online Reviews

Possessing the “keys of death” means that the risen Christ has control and authority over death. In John 10:17-18, Jesus says, “The reason my Father loves me is that I lay down my life—only to take it up again. No one takes it from me, but I lay it down of my own accord. I have authority to lay it down and authority to take it up again.
