ECONOMIC ANALYSIS OF LAW - Harvard Law School

There is much to agree with in Professor Talmon's article, which addresses the International Court of Justice's methodology for the determination of rules of customary international law, and concludes that "the main method employed by the Court is neither induction nor deduction but, rather, assertion." But there

are some questionable aspects, including its conclusion. The [...]

The International Court of Justice and Customary ...

Customary law is a recognized source of law within jurisdictions of the civil law tradition, where it may be subordinate to both statutes and regulations. In addressing custom as a source of law within the civil law tradition, John Henry Merryman notes that, though the attention it is given in scholarly works is great, its importance is "slight and decreasing". [12]

Land rights based on customary law may be allocated differently, according to gender, social values, social and marital status. In some cases, customary norms may be used to dispossess women of their rights, although in other cases they may be used to defend women's land claims; this leaves room for uncertainty in the interpretation and application of the law (5).
