9781612507194: Educating English Learners: What Every ... In Educating English Learners, Joyce W. Nutta and her colleagues offer practical tools for helping schools and teachers successfully integrate English learners into mainstream classrooms. Drawing on the One Plus model presented in their award-winning book, Preparing Every Teacher to Reach English Learners, the authors now turn their attention to the needs of K-12 teachers who typically have two or three English learners in their classrooms.

Educating English Learners - HEPG English learners are not a homogenous group, and the challenges they face vary tremendously. Nutta and her colleagues present protocols and case studies to help pre-service and in-service teachers understand the needs of English learners in their classrooms and differentiate instruction and assessment accordingly. Woven throughout the book are the stories of Gero, Edith, Tasir, and Edgar, four case study students of different ages, backgrounds, and levels of English proficiency.

Educating English learners : what every classroom teacher ... By Emily Kaplan. April 12, 2019. Over 10 percent of students in the United States—more than 4.8 million kids—are English language learners (ELLs), and the number is on the rise. Though these students do not learn differently than their native-English-speaking peers, they do have particular educational needs. To learn about these needs—and best practices for addressing them—I interviewed a range of educators and observers, including Larry Ferlazzo, an educator and author of The ESL ...

6 Essential Strategies for Teaching ELLs | Edutopia education, healthcare and public services for our students, their families and our communities. We are committed to advancing these principles through community engagement, organizing, collective bargaining and political activism, and especially through the work our members do. 4 Educating English Language Learners A Review of the Latest Research
