State Building Governance And World

The ability to create healthy states from
nothing has suddenly risen to the top of
the world agenda. State building has
become a crucial matter of global
security. In this hugely important book,
Francis Fukuyama explains the concept

of state-building and discusses the
problems and causes of state weakness
and its national and international effects.

State Building: Governance and World Order in the 21st ...

State-building, however, is more limited
in scope: it seeks only to strengthen
government institutions such as the
army, the police force, the judiciary, and
the central bank, the bare minimum to
make a state self-sustaining. Fukuyama
distinguishes between the strength and
scope of government power.

State Building Governance and World Order in the 21st ...

Francis Fukuyama famously predicted "the end of history" with the ascendancy of liberal democracy and global capitalism. The topic of his latest book is, therefore, surprising: the building of new nation-states. The end of history was

never an automatic procedure, Fukuyama argues, and the well-governed polity was always its necessary precondition.

analysis. Critically analyse the concepts, theories and approaches relating to governance and state-building with particular reference to developing countries. Demonstrate an in-depth understanding of how the principles and theories of governance and state-building may be applied to the practical situations facing policy makers in developing countries.

Governance and Statebuilding - University of Birmingham

The first phase of state-building is relatively easy: it consists of creating stability, offering humanitarian assistance, and jump-starting the economy. The second phase is more difficult: it consists of creating self-sustaining political and economic

institutions that will be conducive to good governance and economic growth.

State-Building: Governance and World Order in the 21st ...

For the purposes of state-building in environments of instability, the sub-structures of states can be defined as a political regime (or system of government), a governance framework (or constitution), and a set of state institutions (or organizations) such as the armed forces, the parliament, and the justice system.
