Managed Service Restructuring in Health Care: A Strategic ...

Health care managers, hospital administrators, and students in health services management programs can benefit from the focus on conscious planning in Managed Service Restructuring in Health Care. While many of the examples take place within acute care hospitals, the MSR approach and this book are designed to assist

any health care administrator or manager.

Step 4: Specialization of Sales Selling managed services is very different from selling technology or attach services (support, field, professional services). Because the offer is focused on outcomes, the sales resource needs to understand the technology being managed, the operations required to manage the tech (at

least at a high level),
and they need to

understand the
customer's financial ...
