The Writings of Saint Francis of Assisi

The Spirit of Saint Francis

Inspiring Words from Pope Francis *Franciscan Media*

Published in cooperation with the Vatican, this original collection brings the life and legacy of Saint Francis of Assisi to life through the pope's uplifting and challenging words.By taking the name of one of the most venerated figures in Christendom, Pope Francis set a high bar for his papacy. Saint Francis renounced wealth and honor in order to proclaim the Gospel message to a lost generation. His exuberant love for God and radical example of Christian life awakened hope in countless followers and renewed the Church. Pope Francis often speaks and writes about Franciscan ideals such as simplicity, humility, forgiveness, joy, compassion, peacemaking, and care for creation. His inspirational homilies, addresses, and writings on these and other Franciscan themes are collected in this book for the first time, giving you a simple way to renew your faith.

Francis and Clare

The Complete Works *Paulist Press*

Francis (c. 1182-1226) and Clare (c. 1193-1254) together shaped the spirituality of early 13th-century Europe. Here for the first time in English are

their complete writings, brought together in one volume.

The Little Flowers *Pomona Press*

These three works form the chief sources of the saint's life and the beginnings of the Franciscan Order which he founded in 1212. Born at Assisi in 1182, St Francis embraced a life of holy poverty after a gay and sometimes extravagant youth. At the age of twenty-two he fought with great spirit and was taken prisoner in a petty feud between the town of Assisi and Perugia. During his captivity he reflected on his former mode of life, but attempted to take up arms once more on his recovery. However, a second illness intervened, and after a period in which wordly pleasure and spiritual counsels sought mastery and he finally determined to dedicate his life and work to God. Through pilgrimage, devotion, example and simple teaching he became one of the great Christian reformers. 'Whatever accretions of legendary material', says Fr McKay in his Introduction, 'have crept in here and there to heighten the colours of St Francis's portrait, they are undoubtedly in keeping with the total impressions which St. Francis made upon the world of his day.' Moreover St Francis was the very opposite of a sour Puritan: we are told he was the 'most joyous of saints, and would have no sad, long faces about him, and always rebuked any friar that was gloomy or melancholy.' He wanted his friars to be jocolatores Dei ('the minstrels of God'). The Little Flowers is translated from the 'Fioretti', an Italian translation of a Latin original of which the earliest extant manuscript is one of 1390. It is a narration of miracle and hymn connected with the saint and his friars. The Mirror of Perfection is based on documents and memoirs left by Friar Leo, St Francis's favourite disciple, and was completed about 1318. St Bonaventure wrote the Life of St Francis c. 1260, intending it to stand as an authoritative Life and to supersede the numerous fragmentary biographies then in circulation.

Eager to Love

The Alternative Way of Francis of Assisi *Franciscan Media*

Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. He was at once down to earth and reaching toward heaven, grounded in the rich history of the Church while moving toward a new understanding of the world beyond. Globally recognized as an ecumenical teacher, Richard Rohr started out—and remains—a Franciscan friar. The loving, inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions. He was, as Rohr notes, “a master of ‘making room for it’ and letting go of that which was tired or empty.” Francis found an “alternative way” to follow Jesus, one that disregarded power and privilege and held fast to the narrow path of the Gospel. Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary, radical, and life-changing embrace of the teachings of Jesus. Rohr draws on Scripture, insights from psychology, and literary and artistic references, to weave together an understanding of the tradition as first practiced by St. Francis. Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives. The audio edition of this book can be downloaded via Audible.

Little Flowers of St. Francis of Assisi *Cosimo, Inc.*

Saint Francis of Assisi

Brother of Creation *Sounds True*

When a small village was plagued by a wild wolf, it is told that a humble friar named Francis came and met the predator with nothing but his gentle words—and turned the wolf from a menace to a welcome citizen. This graceful man, who spoke to each part of Creation as a sister or brother, has become one of the most beloved of all saints. In both joy and adversity, Saint Francis served as a bold example of how to live completely and authentically as a follower of Christ. From his survival as a prisoner of war to the series of awakenings that helped him to reform the Catholic Church, Francis drew his strength from his miraculous, loving union with the natural world. Saint Francis of Assisi is an essential devotional reader for building your personal connection to the spirit of this modest Italian sage. Through stories, prayers, and his own writings, you are invited to share in Francis's nourishing devotion to God, and in his profound compassion toward all living things.

Introduction to the Devout Life

The Little Flowers of St. Francis of Assisi

Chasing Francis

A Pilgrim’s Tale *Thomas Nelson*

What happens when the pastor of a mega church loses his faith? Pastor Chase Falson has lost his faith in God, the Bible, evangelical Christianity, and his super-sized megachurch. When he falls apart, the church elders tell him to go away: as far away as possible. Join Chase on his life-changing journey to Italy where, with a curious group of Franciscan friars, he struggles to resolve his crisis of faith by retracing the footsteps of Francis of Assisi, a saint whose simple way of loving Jesus changed the history of the world. Read this riveting story and then begin your own life-changing journey through the pilgrim’s guide included in this powerful novel. Hidden in the past lies the future of the church When his elders tell him to take some time away from his church, broken pastor Chase Falson crosses the Atlantic to Italy to visit his uncle, a Franciscan priest. There he is introduced to the revolutionary teachings of Saint Francis of Assisi and finds an old, but new way of following Jesus that heals and inspires. Chase Falson’s spiritual

discontent mirrors the feelings of a growing number of Christians who walk out of church asking, Is this all there is? They are weary of celebrity pastors, empty calorie teaching, and worship services where the emphasis is more on Lights, Camera, Action than on Father, Son, and Holy Spirit while the deepest questions of life remain unaddressed in a meaningful way. Bestselling author Ian Morgan Cron masterfully weaves lessons from the life of Saint Francis into the story of Chase Falson to explore the life of a saint who 800 years ago breathed new life into disillusioned Christians and a Church on the brink of collapse. Chasing Francis is a hopeful and moving story with profound implications for those who yearn for a more vital relationship with God and the world.

Saint Francis of Assisi

A Life Inspired *Createspace Independent Publishing Platform*

St. Francis's call is a call to return to the basics of Christianity. It is a call to Christians to reach back to their roots so that their spiritual lives can draw strength from the pure waters of the Gospel instead of being choked by manmade traditions and worldly concerns. In the words of G. K. Chesterton, the coming of Francis “marked the moment when men could be reconciled not only to God but to nature and, most difficult of all, to themselves. ... his whole function [was] to tell men to start afresh and, in that sense, to tell them to forget” (124).While St. Francis of Assisi is one of the most beloved saints in history, the relevancy of St. Francis for our times in light of the election of Pope Francis has yet to be explored. This book is written with the intention of filling that gap. While it is biographical in nature, it also freely explores themes that relate to St. Francis but are not a part of his life. This book is about more than the life of St. Francis of Assisi; it is about the impact this beloved saint has had through his imitation of Christ, his love of poverty, the Franciscan movement, and his profound influence on Pope Francis.

The Assistant

A Novel *Macmillan*

A struggling neighborhood Jewish grocer takes on a helper who falls in love with his daughter and steals from his store

St. Thomas Aquinas *Courier Corporation*

Chesterton's customary wit and engaging storytelling provide a brief but vivid profile. He focuses on the saint's life, rather than on theology, to illustrate Thomas's relevance to modern readers.

Through the Year with Francis of Assisi

Daily Meditations from His Words and Life *Image*

Through the Year with Francis of Assisi contains 365 selections drawn from the sayings and writings of Francis as well as from stories about him. These excerpts constitute a personal "day book" for year-round reflection.

Pocket Prayers

40 Simple Prayers that Bring Peace and Rest *Thomas Nelson*

When the chaos of our daily lives becomes overwhelming, where can we turn for peace and rest? Best-selling author Max Lucado points to the Source of all hope and strength in Pocket Prayers, which contains forty guided prayers and complementary scriptures for any situation. This pass-along companion to Before Amen serves as an outreach tool for ministries and churches, offering simple encouragement for those who struggle to pray.

Jesus Shock *Wellspring*

Fratelli Tutti

Encyclical on Fraternity and Social Friendship *Orbis Books*

Day by Day with St. Francis

Come Thirsty

No Heart Too Dry for His Touch *Thomas Nelson*

Are you feeling a little dry? Edgy and rigid? Ineffective? What would it take to be more useful in the hands of the One who made you? Just come to the well, says bestselling author Max Lucado. In this renewing and life-giving book Max leads us to the four essential nutrients every soul needs. Experience Christ's work on the cross and know that your sins are pardoned and your death is defeated. Receive Christ's energy and believe that you can do all things through the one who gives you strength. Receive his Lordship, knowing that you belong to him and that he looks out for you. Receive his love and feel confident that nothing can separate you from it. Come to the well...to Christ's work on the cross, his energy, his Lordship and his Love.

Saint Francis of Assisi Illustrated *Independently Published*

Francis of Assisi is, after Mary of Nazareth, the greatest saint in the Christian calendar, and one of the most influential men in the whole of human history. By universal acclaim, this biography by G. K. Chesterton is considered the best appreciation of Francis's life--the one that gets to the heart of the matter. For Chesterton, Francis is a great paradoxical figure, a man who loved women but vowed himself to chastity; an artist who loved the pleasures of the natural world as few have loved them, but vowed himself to the most austere poverty, stripping himself naked in the public square so all could see that he had renounced his worldly goods; a clown who stood on his head in order to see the world aright. Chesterton gives us Francis in his world-the riotously colorful world of the High Middle Ages, a world with more pageantry and romance than we have seen before or since. Here is the Francis who tried to end the Crusades by talking to the Saracens, and who interceded with the emperor on behalf of the birds. Here is the Francis who inspired a revolution in art that began with Giotto and a revolution in poetry that began with Dante. Here is the Francis who prayed and danced with pagan abandon, who talked to animals, who invented the creche.

Francis of Assisi: The saint

This three-volume project produces a translation of the extant texts of the thirteenth, fourteenth, and fifteenth centuries that present the life and writings of Francis of Assisi. It 1) provides a new and more complete publication of the early Franciscan critical texts that offer fresh translations in light of the scholarship of the past three decades; 2) provides a more manageable and accessible edition of the Franciscan texts in several volumes; 3) presents scholarly introductions, critical apparatus, and annotations to give readers biblical, historical, sociological, hagiographical, spiritual and pastoral perspectives; 4) situates the Franciscan texts within the Christian tradition and context of their day. The texts chosen represent the most important sources for studying the life and vision of Francis. The Saint includes The Writings by Francis, The Life of Francis by Thomas of Celano, The Liturgical Texts, The Life of Francis by Julian of Speyer, The Versified Life of Francis by Henri D  Avranches, The Sacred Exchange between Saint Francis and Lady Poverty and Related Documents. Also included is a general introduction to the series by Regis Armstrong, helpful introductions to each section, colored maps, extensive annotation.

Love Poems from God

Twelve Sacred Voices from the East and West *Penguin*

Sacred poetry from twelve mystics and saints, rendered brilliantly by Daniel Ladinsky, beloved interpreter of verses by the fourteenth-century Persian poet Hafiz One of 6 Books Oprah Loves to Give as Gifts During the Holidays "All kinds of beautiful poetry." -Hoda Kotb In this luminous collection, Daniel Ladinsky--best known for his bestselling interpretations of the great Sufi poet Hafiz--brings together the timeless work of twelve of the world's finest spiritual writers, six from the East and six from the West. Once again, Ladinsky reveals his talent for creating profound and playful renditions of classic poems for a modern audience. Rumi's joyous, ecstatic love poems; St. Francis's loving observations of nature through the eyes of Catholicism; Kabir's wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa's sensual verse; and the mystical, healing words of Sufi poet Hafiz--these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Tukaram are all "love poems by God" from writers considered "conduits of the divine." Together, they form a spiritual treasure to cherish always.

The Life and Prayers of Saint Francis of Assisi *Createspace Independent Pub*

One part biography, one part prayer book, The Life and Prayers of Saint Francis of Assisi is an essential book for any Christian. Saint Francis of Assisi is quite possibly the most popular of all Christian saints. Perhaps it is his adoration for all living things or his unrelenting generosity that has made so many people open their hearts to him. Perhaps it is the deep conviction and piety expressed not only by the saint himself, but in his name, in the Franciscan orders throughout the centuries. Whatever the reason, in a world that is quickly developing in a direction diametrically opposite to the saint's own simple asceticism, Saint Francis of Assisi still stirs strong emotions and compassion. How close he found God, in the very nature around him, is inspiring.

Feed the Wolf

Befriending Our Fears in the Way of Saint Francis *Augsburg Fortress Publishers*

Turn from fear and find peace. In Feed the Wolf, author and Saint Francis scholar Jon M. Sweeney explores fifteen spiritual practices from the essential wisdom of Saint Francis for us to apply to our twenty-first-century lives.

Francis of Assisi *Orbis Books*

Francis of Assisi: The prophet

New City Press

Volume 3 in this monumental series presents new translations of texts about Francis in the early Franciscan tradition, some available in English for the first time.

King Lear

Newly revised, this edition of "King Lear" features an extensive overview of Shakespeare's life and world; an editor's introduction; a note on the sources; dramatic criticism from the past and present; a comprehensive stage and screen history of notable actors, directors and productions; and more.

Laudato Si'

On the care of the common home *Le vie della Cristianit  *

Laudato Si 'is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

The Saint Francis Prayer Book *Paraclete Press*

This warm-hearted little book is a window into the soul of St. Francis, one of the most passionate and inspiring followers of Jesus. "Prayer was to Francis as play is to a child: natural, easy, creative, and joyful," author Jon Sweeney tells us. "Before it became common to speak in personal terms of a relationship with God, Francis did so and made it seem natural." With this guide, readers will: - Pray the words that Francis taught his spiritual brothers and sisters to pray. - Explore Francis's time and place and feel the joy and earnestness of the first Franciscans. - Experience how it is possible to live a contemplative and active life, at the same time. Visit Jon Sweeney's blog at www.jonmsweeney.wordpress.com.

Francis of Assisi

A New Biography *Cornell University Press*

Among the most beloved saints in the Catholic tradition, Francis of Assisi (c. 1181-1226) is popularly remembered for his dedication to poverty, his love of animals and nature, and his desire to follow perfectly the teachings and example of Christ. During his lifetime and after his death, followers collected, for their own purposes, numerous stories, anecdotes, and reports about Francis. As a result, the man himself and his own concerns became lost in legend. In this authoritative and engaging new biography, Augustine Thompson, O.P., sifts through the surviving evidence for the life of Francis using modern historical methods. The result is a complex yet sympathetic portrait of the man and the saint. Francis emerges from this account as very much a typical thirteenth-century Italian layman, but one who, when faced with unexpected crises in his personal life, made decisions so radical that they challenge his own society-and ours. Unlike the saint of legend, this Francis never had a unique divine inspiration to provide him with rules for following the teachings of Jesus. Rather, he spent his life reacting to unexpected challenges, before which he often found himself unprepared and uncertain. The Francis who emerges here is both more complex and more conflicted than that of older biographies. His famed devotion to poverty is found to be more nuanced than expected, perhaps not even his principal spiritual concern. Thompson revisits events small and large in Francis's life, including his troubled relations with his father, his contacts with Clare of Assisi, his encounter with the Muslim sultan, and his receiving the Stigmata, to uncover the man behind the legends and popular images. A tour de force of historical research and biographical writing, Francis of Assisi: A New Biography is divided into two complementary parts-a stand alone biographical narrative and a close, annotated examination of the historical sources about Francis. Taken together, the narrative and the survey of the sources provide a much-needed fresh perspective on this iconic figure. "As I have worked on this biography," Thompson writes, "my respect for Francis and his vision has increased, and I hope that this book will speak to modern people, believers and unbelievers alike, and that the Francis I have come to know will have something to say to them today."

Embracing the Way of Jesus

Reflections from Pope Francis on Living Our Faith

Reflections from Pope Francis on what it really means to be a disciple of Jesus today, and how that identity should guide our every thought and action.

St. Francis of Assisi

His Life, Teachings, and Practice (The Essential Wisdom Library) *St. Martin's Essentials*

An introduction to St. Francis's life and his most profound teachings of faith St. Francis of Assisi is one of the most venerated Christian figures, and his profound teachings, deep love of nature, and commitment to simplicity have resonated with generations of followers. St. Francis of Assisi, the latest title in the Essential Wisdom Library, offers a simple and universal introduction to Francis's life, his key teachings, and the spiritual practices that enriched his faith and the lives of those who follow his legacy. Author Jon M. Sweeney, one of the most popular Francis interpreters, introduces the iconic Christian as a man of his time and as one whose wisdom transcends eras. Beginning with a timeline of the saint's life, St. Francis of Assisi includes the teachings that made Francis such a unique and powerful figure. His words apply to a diverse set of situations--from advice for people in positions of power, to teachings on gratitude, and the Rule of Life which governed every facet of life for Franciscans. The book concludes with explanations of some of his most powerful practices, which can offer wisdom and insight for our own lives. St. Francis emphasized the importance of living a simple, truthful life, making his spiritual practices just as impactful and relevant in the modern day as they were centuries ago. St. Francis of Assisi is the perfect guide for anyone looking to learn more about the saint or hoping to incorporate his wisdom into their own spiritual lives.

Ecstasies of St. Francis

The Way of Lady Poverty *SteinerBooks*

In this fascinating account of St. Francis' inner life, Haule, a Jungian analyst and student of Hindu Tantra, shows that, like tantrikas, Francis relentlessly pursued the most disturbing experiences in life to achieve higher states of consciousness-ecstasies in which he stood outside his ordinary self while contemplating and living a higher reality. Francis embraced poverty and sorrows, cared for lepers and outcasts, begged for his bread. Fascinated early on by romantic and troubadour literature, Francis took "Lady Poverty" as his guide in love, walking her path to change the world. She demanded that he change his whole nature, and he became the beloved saint known today. Haule tells the story of Francis' life from this point of view and looks at the path of Lady Poverty, trying to understand what Francis meant by "perfect joy." He also compares Francis' relationship with Lady Poverty to that with Clare, who began the Franciscan sisterhood, revealing the erotic element of his practice. The author goes on to examine Francis' daily practice of prayer and meditation, the states of consciousness he achieved, and how these bore fruit in his daily life. Finally, we come to the last crisis of Francis' life-the final embrace of God and the world-marked by the vision of the Seraph and the appearance of the stigmata. This is an important book for a deeper understanding of St. Francis and his spiritual life.

Swimming in the Sun

Discovering the Lord's Prayer with Francis of Assisi and Thomas Merton

Winner of a Catholic Book Award from the Catholic Press Association of the United States, "Swimming in the Sun" turns to two great spiritual masters to illustrate the central themes of the Lord's Prayer. In this "handbook" to the spiritual life, Franciscan Albert Haase writes that Francis's life challenges us to renounce the superficial and superfluous in our lives, to identify more deeply with the poor and powerless of society, and to have a profound, reverent respect for all creation. Merton's life, the author says, has become a vehicle for self-discovery for many contemporary readers. Included are questions for reflection.

The Love Letters

Saint Francis and Saint Clare of Assisi Meet Pope Francis

The Love Letters is historical fiction. What if Saint Francis and Saint Clare were to meet Pope Francis? What would be their thoughts, dreams and hopes for a new Church? The Love Letters is the mystical love discovered by two of the world's greatest mystics long ago asking who is the new Pope Francis? Can he rebuild the Church into a living Church, a church less concerned with rules and order and more about forgiveness and compassion? In the silence of our hearts, in giving to those in need, Saint Francis, Saint Clare, and Pope Francis offer a new vision for us all to become instruments of true peace and joy.

Saint Francis of Assisi *Lion Children's Books*

The life of St Francis is copiously recorded in several near-contemporary biographies. From these is drawn an account of his astonishingly influential life as a devoted follower of Jesus. There are also several stories about him and a handful of of his writings which deserve special showcasing. This book interweaves the elements to create a book that can be enjoyed as a whole or tackled in shorter episodes. The result is inspiring and heartwarming.

The Gospels According to St. Francis

"A Franciscan priest, Scripture scholar, and teacher, Fr. Hilarion Kistner explores how Francis heard, lived, and proclaimed the Gospel"--Back cover.

Francis

The Journey and the Dream

"Francis: The Journey and the Dream depicted a Francis who 'sang' to me. I felt that I had found a teacher to lead me home. I had no idea where this was going to lead, but I was ready to follow."--John Michael Talbot One of the most influential saints' books, with over 200,000 copies sold, Francis: The Journey and the Dream continues to inspire people of all ages with its lyrical prose and depth of love for the Poor Man of Assisi. This beautiful anniversary edition includes Fr. Bodo's story of writing the book and its worldwide influence, a reader's guide for book clubs and discussion groups, and a list of Fr. Bodo's favorite Franciscan resources, culled over three decades of research on Francis and his followers. The audio edition of this book can be downloaded via Audible.

Light in the Dark Ages

The Friendship of Francis and Clare of Assisi

The Middle Ages were not so very dark. Rather, we live in 'dark ages' whenever we become preoccupied with power. This portrait of the first Franciscans reveals the temptations that come with being human - greed, competition, ego, and selfishness - as well as the many ways that Francis and Clare inspired change and brought light into darkness.

Cry of the Poor

"A Cry of the Poor" is my tenth book of Poetry and a collection of poems from previous works that focus primarily on social justice issues. In addition to creating my own Cover Image, there are poverty drawings throughout this book which capture the urgency of the needs of the poor.The poetry moves the heart to be compassionate and to assist those less fortunate than ourselves: the starving, the refugee, the homeless and the poor in general throughout our world and in our own country of the United States.
