### The 3-Tier U.S. Alcohol Distribution System Faces New Threats

The three-tier distribution system (Maker – Distributor – Retailer) goes back to the repeal of Prohibition in the United States in 1933. The states were put in charge of the laws around distribution of alcohol, but the states and the federal government were mostly concerned about collecting taxes. Most states have outlawed the ownership of the entire chain of distribution to make sure there are clear demarcation points where they can collect, except in some special cases like

brewpubs.

### How Does the Wine Distribution System Work? | Professional ...

The three-tier system of alcohol distribution is the system for distributing alcoholic beverages set up in the United States after the repeal of Prohibition. The three tiers are importers or producers; distributors; and retailers. The basic structure of the system is that producers can sell their products only to wholesale distributors who then sell to retailers, and only retailers may sell to consumers. Producers include brewers, wine makers, distillers and importers. The three-tier system is i
