Why There Is No God

With no enduring evidence that a God exists, there is simply no reason to believe in a deity, even if it's not possible to irrefutably disprove his existence. Many thought experiments have been created to show the absurdity of these claims, such as the Invisible Pink Unicorn, Carl Sagan's "The Dragon in My Garage," Russell's Teapot or the Flying Spaghetti Monster.

Why There Is No God: Simple Responses to 20 Common Arguments for the Existence of God. • "Science can't explain the complexity and order of life; God must have designed it to be this way." • "God's existence is proven by scripture." • "There's no evidence that God doesn't exist."

Why There Is No God: Simple Responses to 20 Common ...

In reality, the only necessary argument against believing in God is simply that there is no evidence that any gods exist. As clarified above, an atheist doesn't need to justify his or her lack of belief further than this; no evidence supporting the existence

of any deities exist.

Why There Is No God - Atheist Republic

If mankind did not exist, there would be no God; therefore, it is fair to say God equals mankind. As it is mankind that has everlasting life and we are the body of mankind, we are made in the likeness of mankind.

Here's Why Stephen Hawking Says There Is No God ...

There is no other way, and it is time for sane human beings to own up to this. This is the age-old problem of theodicy, of course, and we should consider it solved. If God exists, either He can do nothing to stop the most egregious calamities, or He does not care to. God, therefore, is either impotent or evil.

There is No God (And You Know It) | HuffPost

There is no evidence god doesn't exist, so belief is as justified or as valid as non-belief. Argument from ignorance. A common attempt to shift the burden of proof or 'make room' for a god.

Why there is no god

Stephen Hawking makes it clear: There is no God - CNET

Although atheists contend that God does not exist and agnostics allege that there is a very high probability that He does not exist, theism is the rational belief that there is a God. A sincere pursuer of truth who follows the available evidence will come to the logical conclusion that God exists.

Top 10 reasons God does not exist | Random musings ...

There is no scientific evidence indicating that God exists. We all know that. For example: God has never left any physical evidence of his existence on earth. None of Jesus' "miracles" left any physical evidence either. (see this page) God has never spoken to modern man, for example by taking over all the television stations and broadcasting a rational message to everyone.

God is Imaginary - 50 simple proofs

Atheists claim there is scientific proof that God is not real. Theists, on the other hand, insist that science, in fact, has been unable to prove that God does not exist. According to atheists, however, this position depends upon a mistaken understanding of the nature of science and how science operates. Therefore, it is possible to say that, scientifically, God does not exist—just as science discounts the existence of a myriad of other alleged beings.
