The Ultimate Guide to Being a Dominant - Dom Sub Living

There are three main components to BDSM: bondage and discipline, sadism-masochism, and submission-domination, the latter often shortened to sub-dom. In

these practises, there is often an imbalance between the partners: one likes being tied up and/ or spanked, the other enjoys doing the tying or the spanking – but what is crucial is that the actions, and the partnership, should always be consensual and informed.

Publisher Description There are two foundational pillars of a BDSM relationship between a Dom and a sub: consent and trust. Everything else in the relationship – the fun, the love, the discipline, the eroticism, the tears and the journey – are all built on those standards. Both consent and trust require honest communication in order to thrive.
