Rebel Cities From The Right

Rebel Cities places the city at the heart of both capital and class struggles, looking at locations ranging from Johannesburg to Mumbai, from New York City to São Paulo. Drawing on the Paris Commune as well as Occupy Wall Street and the London Riots, Harvey asks how cities might be reorganized in more socially just and ecologically sane ways - and how they can become the focus for

anti-capitalist resistance.

Rebel Cities: From the Right to the City to the Urban ...

In 'Rebel Cities', David Harvey re-examines and interprets the basis of capitalist accumulation to show its essentially urban roots. This is certainly a wide and sweeping project and it is largely convincing. Harvey builds on the work of Henri Lefebvre, a French Marxist who wrote in the 1960s. Lefebvre coined or popularized the phrase “right to the city.”

Rebel Cities places the city at the heart of both capital and class struggles, looking at locations ranging from Johannesburg to Mumbai, from New York City to São Paulo. Drawing on the Paris Commune as well as Occupy Wall Street and the London Riots, Harvey asks how

cities might be reorganized in more socially just and ecologically sane ways—and how they become the focus for anti-capitalist resistance.

Rebel Cities - Verso

After this thorough grounding in theory, Harvey looks, in Section 2, at 'Rebel Cities' (P113). From the Paris Communes to the role of Barcelona in the Spanish Civil War to the Prague Spring and the recent rebellions and revolts in Cochabamba, Tahrir Square and El Alto, the urban environment is where active resistance to the counter-revolutionary neoliberal forces happens.
