A Boy Named Shel**The Life and Times of Shel Silverstein** *Farrar, Straus, and Giroux*

Few authors are as beloved as Shel Silverstein. His inimitable drawings and comic poems have become the bedtime staples of millions of children and their parents, but few readers know much about the man behind that wild-eyed, bearded face peering out from the backs of dust jackets. In *A Boy Named Shel*, Lisa Rogak tells the full story of a life as antic and adventurous as any of his creations. A man with an incurable case of wanderlust, Shel kept homes on both coasts and many places in between---and enjoyed

regular stays in the Playboy Mansion. Everywhere he went he charmed neighbors, made countless friends, and romanced almost as many women with his unstoppable energy and never-ending wit. His boundless creativity brought him fame and fortune---neither of which changed his down-to-earth way of life---and his children's books sold millions of copies. But he was much more than "just" a children's writer. He collaborated with anyone who crossed his path, and found success in a wider range of genres than most artists could ever hope to master. He penned hit songs like "A Boy Named Sue" and "The Unicorn." He drew cartoons for *Stars & Stripes* and got his big break with *Playboy*. He wrote experimental plays and collaborated on scripts with David Mamet. With a seemingly unending stream of fresh ideas, he worked compulsively and enthusiastically on a wide array of projects up until his death, in 1999. Drawing on wide-ranging interviews and in-depth research, Rogak gives fans a warm, enlightening portrait of an artist whose imaginative spirit created the poems, songs, and drawings that have touched the lives of so many children---and adults.

She's also interested in learning more about the young lawyer she met there, but just because she's curious, of course, not because he was sweet and charming. But when Alice develops photographs she has recently taken about town, familiar faces of old suddenly appear in the place of her actual subjects--the Queen of Hearts, the Mad Hatter, the Caterpillar. There's something eerily off about them, even for Wonderland creatures. And as Alice develops a self-portrait, she finds the most disturbing image of all--a badly-injured dark-haired girl asking for Alice's help. Mary Ann. Returning to the place of nonsense from her childhood, Alice finds herself on a mission to stop the Queen of Hearts' tyrannical rule and to find her place in both worlds. But will she be able to do so . . . before the End of Time?
