The Best Gender-Neutral Baby Name Book *Simon and Schuster*
The ultimate collection of unique, unisex baby names—from traditional to modern—including the origin and history of the name, and any cultural icons (men or women) who share the name. What’s in a name? A lot. For generations, they’ve indicated a lot about a person: their family history, personality traits, and qualities—and let’s not forget about nicknames, both good and bad. But while a name may have special significance to the parents who choose it, when you stop and think about it, there’s little else it can reveal about a baby, or the adult that child grows into. Try to accurately imagine what a kid named Frankie looks like...he could be a preschool boy who loves to paint or a teenage girl who is the star of her track team. Same goes for Casey, Jamie, or Taylor. Just as we no longer automatically choose “girl” (pink) or “boy” (blue) colors, today’s parents want their child to have a unique name that defies stereotypes. This one-of-a-kind book compiles the best gender-neutral baby names for your child, along with fun “Top 5 Lists that Make Unique Baby Names” sprinkled throughout (including foods, mythological places, surnames, and more). Use as a guide or read it cover to cover—or dip into specific chapters if you’ve already got a first letter in mind. Have fun, be creative, and know that whatever name you choose, your baby will be a unique and amazing person who defines themselves.

Into the Wild *Anchor*
Krakauer’s page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of

high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times
In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
