To time warp the 2006 YZ125 straight to 2018, we used an R-Tech Revolution plastics kit that changed the styling completely, giving it a more aggressive, updated look. The kit comes with a new all-black gas tank and requires some riveting of the airbox, but the stock seat can still be used. It does require a little more work the first time than just putting on new plastics, but with a cost of ...
